- Remedial classes are conducted.
- Extension work in the institute is undertaken.
- Making to the students aware of the lively activities through field trips, NSS camps.
- Students are encouraged to join in job oriented courses like TASK - TSKC

### Unique features of department:

The student of each class is classified in three categories which are bright, average and slow learners.

The bright students are made as batch leaders and average students are made group leaders, for evaluation of home work notes books by practice of the department is that the teacher evaluates the note books of batch leaders and also clarification of doubts in the subject the slow learners raise their doubts with group leaders and batch leaders and in turn batch leaders with the teachers. In this process the student does not feel any agitation to clarify their doubts.

### The method of assessing to the students of department:

The method of assessing our student academic standards after admission in order to provide enrichment is through:

- Unit tests and slip tests
- Assignments and group discussions
- Seminars by students on the basis of above the students are analyzed as poor, average and bright.

## Department of Political Science

---
