

GIRRAJ GOVERNMENT COLLEGE (A), NIZAMABAD

Department of Chemistry

About the Department:

Department of chemistry is established in the year 1956 with undergraduate courses and had the impact of highly experienced and dedicated lectures in imparting thorough knowledge and critical analysis of the subject to many students of Nizamabad and surrounding districts

The department was updated with the PG course M.Sc (Organic Chemistry) a self finance course in the year 2001 giving more scope for the students to get PG degree and also better employment opportunity. At present the department is marching forward towards the best position having experience in teaching faculty and with fully equipped labs separately for UG and PG students along with the research lab. The department organized National seminars, National Webinars and several workshops for lecturers and students. The faculty of the department guides UG students for post graduation entrance examinations of various universities and has pride of being one of the colleges with the largest number of students entering PG courses from UG level in Central and State Universities. Three minor research projects have been completed in the department sponsored by UGC - SERO. Chemistry students from this college are rendering services to the society at various levels under government and private organizations.
