Comments

➢ The syllabus for the U.G courses is suitable for further higher education but it is not meeting the needs of competitive exams.

➢ Due to over emphasis on technology the time spent for importing moral values is greatly decreased and the amount of crime is increased in the society. Hence there is an urgent need to incorporate more space for moral values.

Comments

➢ As personality building is the chief aim of the education, the syllabus should cater the needs of personality development among the students.

➢ Most of the syllabuses are well graded to cater the learning needs of various students

➢ The syllabus needs to be upgraded in view of the present demands and realistic expectation.

➢ The more social aspects in the syllabus are to be incorporated to make the students empathies with poor and needy

➢ The humanities are also to be taught with scientific approach

➢ In some subjects, the syllabus is too heavy to be completed within the time frame given for a semester

Comments

➢ The syllabus for the U.G courses is suitable for further higher education but it is not meeting the needs of competitive exams.

➢ The institution must consider the involvement of local industries to append the existing syllabus.

Comments

- The syllabus must provide the practical knowledge that is required for employment

- The institution needs to improve the competitive exams ambience making the students for competitive exams

- The institution must conduct alumni meetings at regular intervals for the financial and career oriented support

- Though the institution is able to procure much infrastructure, the making all class rooms computerized is under process and it must be fully computerized to be on par with the best higher education institution
