Government Degree College, Mahabubabad was established on 28-11-1984 to fulfil the higher education needs of the students coming from socially and economically deprived sections of the society in general and the students of rural areas in particular. The college has an inbuilt mechanism for effective delivery of the curriculum prescribed by the affiliating university i.e. Kakatiya University, Warangal. The University prepares the yearly/semester Almanacs at the beginning of the Academic Year which shall be followed by all the affiliated colleges. In accordance with the University Almanac, the college prepares the timetable, teaching plan, lesson plan at the beginning of each year/semester which are strictly followed for effective implementation of the curriculum and the completion of the syllabus. Timetable is prepared collectively by all the teaching staff members to ensure that there are no duplications and clashes in the various subjects.

The semester plan consists of commencement date and last working date, dates for conduction of the internal assessments, instruction days, holidays, and the commencement of university examinations. All the staff members are encouraged to plan in advance to impart the curriculum through innovative and ICT based teaching methods such as Power point presentations, assignments, extension lectures, workshops, seminars, quiz, field visits, etc. The advanced learners, average learners and the slow learners are identified in the beginning of the semester. The advanced learners are assigned tasks such as Study Projects, Field visits and Student Seminars. The average and the slow learners are motivated towards excellence in their academic performance by taking remedial classes. The progress of syllabus coverage is monitored by the Incharge of the departments concerned as well as the principal of the college through conduct of regular staff meetings. The institution conducts internal academic audit of attendance registers, internal exams, question papers and the evaluation process. Periodical feedback is obtained from the students on aspects of teaching-learning process. The following Registers are maintained by the faculty for effective delivery of the curriculum in a well-planned and documented manner:

- Syllabus copies with textbooks
- Departmental Timetable
- Annual Teaching plans
- Lesson Plans
- Teaching Diary
- Attendance registers
- Assignment registers
- Remedial Coaching register
- Students activity register
- Assignment records
- Field trip and study project records
- Question papers of the previous examinations
- Result analysis
every
- Feedback Analysis
- Student Progression reports

Periodic review of Departmental Meetings and General Staff Meetings are conducted for the establishment of

new set standards in the teaching. Timely analysis and review of the internal assessment tests on a regular basis invite the attention of the faculty to identify the shortcomings in the teaching-learning process in curriculum delivery and documentation process. Bridge Courses and complementary classroom instruction are practiced improving the standards among the students in respect of the curriculum. Tutorials are performed through the mode of mentoring which ensures participative learning. Certificate Courses, Add-on Courses, Value Added Courses, Online Classes, and other skill-based employability courses are added advantages to the regular courses.
