

## GREEN CAMPUS INITIATIVES

**No-Vehicle Day:** The College strictly follows Every Saturday of the week as Vehicle free day and no vehicles are allowed to enter into the campus. This gives the reduction of the pollution in the campus.

**Pedestrian Friendly Pathways:** The pathways of our college are very smooth and surrounded by the greenery with Ashok trees and all other different kinds of variety of trees and flowers. Roads present an extra ordinary look of the college. The institution has a sprawling campus of 20 acres. All the places are connected with 30 feet wide pedestrian friendly roads within the campus. These roads with green plants on either side facilitate the easy movement of students.

**Plastic Free Campus:** The College strictly follows the Plastic free Zone. Students are instructed not to bring plastics and polythene bags into the campus. The plastics if found are collected and disposed.

**E-Office Management:** The Administration office and the Examination branch of the college have been completely maintained the paperless. The College website contains all the required information up to date. The entire admission process is taken up by the State Government. The pay bills of the teaching staff are also computerized. The resolutions of Staff Council meetings are also communicated through e-mails. All the short notices and Communications are conveyed using the public address systems like maintenance of what's app.
