The Principal of the College placed feedback analysis report for consideration, approval & suggestions. The feedback analysis report was thoroughly discussed . It was observed that, most of the stakeholders have expressed their satisfaction regarding the academics & infrastructure. On the overall it was an encouraging result.

The College feedback committee has unanimously resolved that faculty should be instructed to do the following for betterment of college.

- Frequency of student centric activities should be increased.
- There should be Industry-Academia interaction
- Student study projects to be conducted
