DEPARTMENT OF BOTANY

A Report on Celebration of Important Days

On February 28, 2010, **National Science Day** was observed. On February 28, 2020, the Department of Physics commemorated National Science Day with the theme "Science and Technology for Especially Abled Persons." The event was chaired by the Principal, **Dr. G.Poshaiah garu**, and co-chaired by Vice-Principal, **Smt. B. Sandhyarani garu**. The event began with the great scientists Sir. C.V. Raman, Albert Einstein, and Dr. APJ Abdul Kalam being garlanded in front of a large crowd of staff and students from the college's Science Departments.

The Guest, **Dr. G.Poshaiah garu**, spoke on the occasion and underlined the significance of honoring Science Day. He emphasized the relevance of numerous fields of physics as well as the usefulness of physics applications in our daily lives. He discussed the accomplishments of renowned scientists and their contributions to the evolution of concepts in arriving at various formulae and equations beginning with simple pendulum experiments. His contact with pupils, emphasizing the benefits of being a member of reputable national level boards and participating in talent tests conducted by various organizations such as IAPT, was really inspiring.

DEPARTMENT OF BOTANY

A REPORT ON CELEBRATION OF IMPORTANT DAYS

BRIEF REPORT OF WEBINAR

“ROLE OF ALGAE AND CYANOBACTERIA IN HUMAN WELFARE”

On 26th June 2021 at 11.10 am.

Google Meet: <https://meet.google.com/kus-swjk-gmz>

YouTube Live: <https://youtu.be/ax-w5v9yGJk>

National Webinar on “**Role of Algae and Cyanobacteria in Human Welfare**” A One day online web nor Current Status & Future Challenges is organized by Department of Botany, Government Degree College Mahabubabad. This Webinar Algae and cyanobacteria focus on latest advances and cutting-edge research in the field of Phycology of Botany. This Webinar will bring together the experts, Researchers, Academicians, students and provides a wide platform to exchange the ideas, expertise, and information to strengthen their research activities and invited speaker **Prof. M. Aruna**, Head Department of Botany Telangana University Nizamabad Telangana state. and Second Speaker **Prof. Mukesh Kumar** Professor Department of Botany & Microbiology GurukulaKangri University, Haridwar- 249404 Uttarakhand.

In the beginning of the webinar **Prof. M. Aruna, Head Department of Botany Telangana University Nizamabad Telangana state**. She illustrated Webinar Algae and cyanobacteria focus on latest advances and cutting-edge research in the field of Phycology. She addressed the Alagal benefits and role of algae in human welfare that are beneficial for the people of the State, as they are ambassadors they should take initiative to spread science & technology among the students and the society and council can help in doing so.

After that Prof. Mukesh Kumar Professor Department of Botany & Microbiology gave a presentation on the various benefits of Cyanobacteria and also introduced about the importance of Information Technology in education and other sectors like Industries, health care, security, communication, employment, rural development,

The Webinar was ended by Vote of Thanks given by Dr. T.Ugandhar Principal (FAC). In the webinar from Telangana State 229 Scientists, Teachers, Students, Academicians and Researchers participated,

National Webinar on **“Role of Algae and Cyanobacteria in Human Welfare”** A One day Current Status & Future Challenges is organizing today by Dept. of Botany, GDC MHBD. This Webinar Algae and cyanobacteria focus on latest advances and cutting-edge research in the field of Phycology of Botany. This Webinar will bring together the experts, Researchers, Academicians, students and provides a wide platform to exchange the ideas, expertise, and information to strengthen their research activities.

The knowledge, technological advances and new discoveries are targeted to improve the quality, quantity, safety of plants to benefit the society. Prof. M. Aruna, welcomed the Resource person and focusing on the Role of Algae in Human Welfare of Botany, and Second Speaker Prof Mukesh Kumar Second session appreciated Dr. V. Mamatha, the conveners P. Ramreddy, Ch. Mallesham, R. Venugopal G. Shashikanth Organizing Secretary for organizing the National Conference of such current relevance

GOVERNMENT DEGREE COLLEGE MAHABUBABAD -506101 (T.S.)

NATIONAL WEBINAR ON "ROLE OF ALGAE AND CYANOBACTERIA IN HUMAN WELFARE"

Organised by Dept. of Botany

Prof. M. ARUNA
Department of Botany
Dean Faculty of Science & Computer Sciences
Telangana University, T.S
Topic: **ROLE OF ALGAE IN HUMAN WELFARE**
Time: 11:10 am to 11:55 am

Date:
26-06-2021

**Starts from 11:00
am onwards**

Prof. MUKESH KUMAR
Department of Botany & Microbiology,
Gurukul Kangri University, Haridwar,
Uttarakhand
Topic: **ALGAE AND CYANOBACTERIA
IN RELATION TO HUMAN WELFARE**
Time: 12:00 Pm to 12:50 pm
