Academic plan 2015-16

- Education is a liberating force, enables the individual to rise form mere materiality to superior planes of intellectual and spiritual consciousness.
- Education gives us accumulated lessons of heritage to carry it forward to posterity.
- The past is our foundation, the present our material, the future our aim and summit. Each must have its due and natural place in a national system of education.

S.No	Month	Criteria	Plan of action		
1	June 15	1.Curricular Aspects	To arrange Popular lectures on frontiers of science, contributions of Indian Nobel Laureates & about the great educationalists to the faculty.
