BABU JAGJIVAN RAM GOVERNMENT DEGREE COLLEGE

Narayanaguda, Hyderabad.

Internal Quality Assurance Cell

Library using Integrated Library Management System

Babu Jagjivan Ram Government Degree College Library plays a vital role in the search of knowledge. It is the hub of college education around which all academic activities revolve. The aim of the Library is providing necessary information services to all the students and staff. It supports the teaching learning activity in the college and also provides the students updated knowledge and to ensure the optimum utilization of the available resources.

The central Library is situated on the third floor of the college. It occupies about 1200sft and can accommodate about 50 students at a time with proper ventilation, lighting and fans. The library is well stacked for Students & Staff with more than 20000 books, catering to the curriculum as well as to general knowledge. There is a good collection of Magazines, Newspapers and Journals that are being subscribed by the college library to enhance and update the knowledge of the students. It has an internet facility available for the students to connect them to the outside world.

The Library Subscribes to E-Shod Sindhu N-LIST consortium for higher education institutions established by the MHRD, Government of India and maintained by INFLIBNET Center, Ahmedabad, Gujarat. The Library is automated with KOHA Open-Source Software

Objectives:

- To provide the opportunities for the students to develop the knowledge and skills necessary to access library resources
- To provide access to various learning resources of all formats-books, periodicals, e-resources and media to update in their area of specialization
- To provide various library services and facilities to the readers
- To provide peaceful reading atmosphere in the Library.
- To provide competitive exam material to the students.
- To provide career related information
- To ensure optimum satisfaction for all the users of the library

6. Sri Syed Murtaza Ali (Rec. Asst.)
7. P. Gnana Deepu Puli, B.Sc. III
8. M. Tharun Kumar Reddy, B.Com. III
9. M. Sai Kumar, B.A.III
10. A. Sai, B.B.A. II

Library Automation

ILMS Software KOHA (installed – 2019) provides a very user-friendly interface for searching documents in the library and their issue-status.

Library facilitates

Web – OPAC provides remote access to users.

Name of ILMS software: KOHA

COLLEGE Version: 19.05.01.000

Year of automation: 2019

Library link: 192.168.100.2

Features of KOHA It is the first Open-source library automation software. Koha is built using library standards and protocols such as MARC 21, UNIMARC, Z39.50, SRU/SW, SIP2, SIP/NCIP, ensuring interoperability between Koha and other systems and technologies, while supporting existing workflows and tools. It is a true enterprise- class ILS with comprehensive functionality including basic and advanced options. Multilingual and transferable. Koha's OPAC, circulation, management and self-checkout interfaces are all based on standards compliant World Wide Web technologies – XHTML, CSS and JavaScript – making Koha a platform- with independent solutions.

Services:

- The Library follows the Open Access System.
- Conducting Book Exhibition and orientation Programmes for users.
- Login passwords are provided to users for assessing UGC INFLIBNET-N-LIST resources and E-book accesses through mobile.
- 16 Computers are providing E- resource facilities for users.
- D-space Digital Repository (institutional documents, questionnaire, rare-books, thesis, dissertation etc.) which is available in LAN.
- Reprographic facility.
- Upgraded internet bandwidth from 100 Mbps.

- Digital Repository Collection Digital repository (D-Space) includes questionnaire, rare books, thesis & dissertation, CDs, subject based lecture talks, publications of various departments, photos and videos of major events, etc. which are available in LAN – 192.168.100.2.

- The National Digital library of India is a project under the Ministry of Human Resource Development, India. It is a repository that integrates contents from different Indian Institutional Repositories and disseminates them to its members. https://ndl.iitkgp.ac.in/

- N-List subscription to "National Library and Information Services infrastructure for Scholarly Content (N-LIST)". It is an Initiative of Ministry of Human Resource Development (MHRD) Under the NME-ICT now funded by UGC, as college component under UGCINFONET Digital Library Consortium. The Consortium subscribes to the following resources for its UGC funded 12B College/institutions. All electronic resources subscribed are available from the publishers Website Following is the List of E-Resources. Numbers of titles with link. The site can be accessed at http://iproxy.inflibnet.ac.in/login.

- For Login id and password please contact Librarian.

- Through N-List we get access to 6000 e-journals and 3135000 e-books

- Current Awareness Service: The services provided to the students and staff by regularly displaying book jackets of new arrivals, newspaper cuttings on career guidance and current topics.

From

The Principal,
BJRGDC,
Narayanaguda,
Hyderabad.

To

P.Ramesh,
Senior Technical Officer,
Osmania University,
Hyderabad.

Sub: BJRGDC, Narayanaguda -Request for installation of KOHA Library Software – Reg.

I am writing to request that KOHA Library Software to be installed on the Library computer systems for Library Automation. We believe that it is one of the open source software and universally used. Koha Library Automation software would make easier for the faculty and students to access information easily.

I hope you consider my request.

Thanking you,

Dated : 03-07-2019

Yours faithfully,

Who can avail facilities?

The entire Faculty, Staff, Students are entitled to access the Library documents/services. They have to visit the Library and register for issue of Books, Journals.

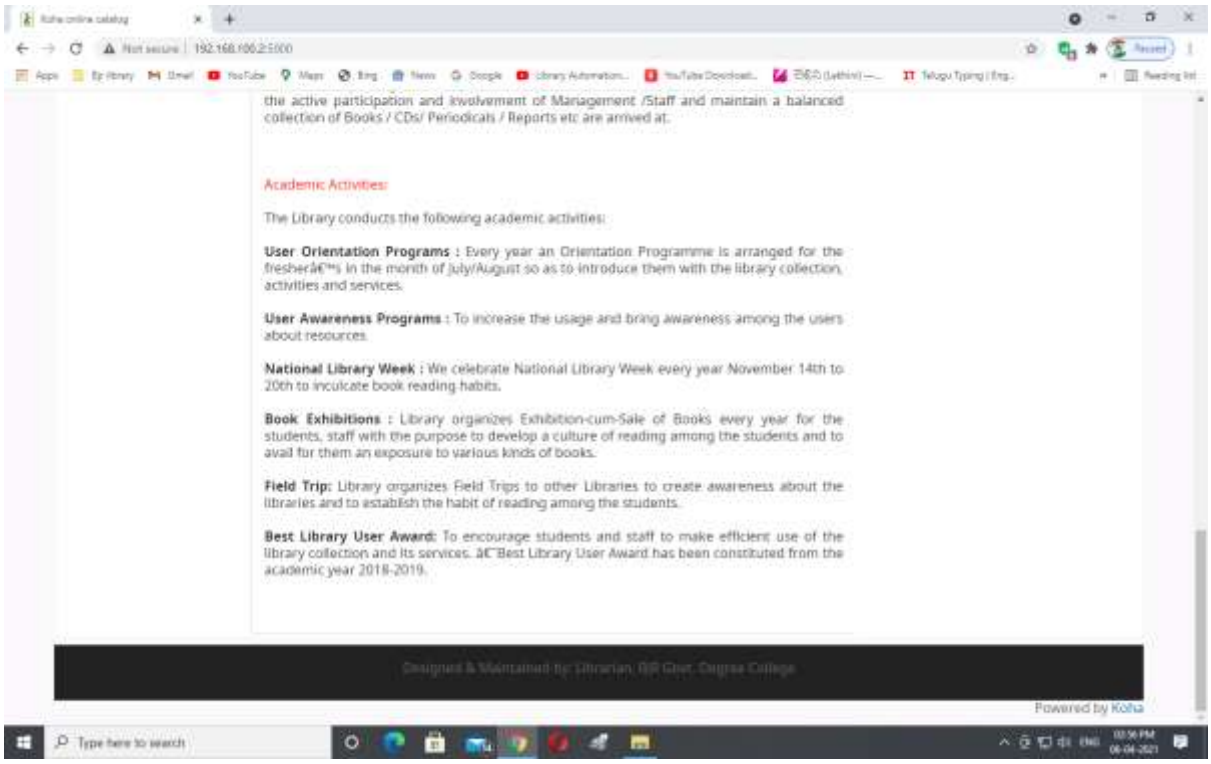
Principles

1. Information is for use
2. User time is precious
3. Every user gets his/her bit of information
4. Every bit of information is for its user
5. Information Centre should grow & serve in line with user requirements

Above principles in organizing/ establishing the information centre are to create and ensure continuous updating of a comprehensive database on Social Sciences e-Governance. With the active participation and involvement of Management /Staff and maintain a balanced collection of Books / CDs/ Periodicals / Reports etc are arrived at.

Academic Activities:

The Library conducts the following academic activities:



the active participation and involvement of Management /Staff and maintain a balanced collection of Books / CDs/ Periodicals / Reports etc are arrived at.

Academic Activities:

The Library conducts the following academic activities:

User Orientation Programs : Every year an Orientation Programme is arranged for the freshersâ€™s in the month of July/August so as to introduce them with the library collection, activities and services.

User Awareness Programs : To increase the usage and bring awareness among the users about resources.

National Library Week : We celebrate National Library Week every year November 14th to 20th to inculcate book reading habits.

Book Exhibitions : Library organizes Exhibition-cum-Sale of Books every year for the students, staff with the purpose to develop a culture of reading among the students and to avail for them an exposure to various kinds of books.

Field Trip: Library organizes Field Trips to other Libraries to create awareness about the libraries and to establish the habit of reading among the students.

Best Library User Award: To encourage students and staff to make efficient use of the library collection and its services. â€˜Best Library User Award has been constituted from the academic year 2018-2019.
