UNNATHI – Competitive Examination Cell

Goal

- Providing academic and other support systems so as to enable the students write various State and Central Services examinations like Civil Services, Group I and Group II, S.I, Teacher Training Courses and defence services
- To educate and enlighten the students on Various Career avenues in the public sector and private sector
- To motivate the students to go for higher education
- To Offer P.G. Coaching in all the subjects to various Central Universities, State Universities, and reputed Deemed Universities.
- To enrich and widen the intellectual horizons of the students

The Context:

Students come from diverse socio-economic backgrounds and hail from rural areas of Telangana. As most of the students are first generation learners, their awareness levels regarding higher education opportunities and various career avenues were very low. The communication skills of the students were also at lower level. Even though they were meritorious, they do not know how to prepare for competitive exams and the strategies to be followed. In this context the faculty of social sciences of BJR, GDC, Narayanguda has undertaken the practice of providing coaching for PG Entrance and other competitive exams.
