

BABU JAGJIVAN RAM GOVERNMENT DEGREE COLLEGE

Narayanaguda, Hyderabad.

**PARENT-TEACHER
COMMITTEE**

Introduction:

Babu Jagjivan Ram Government Degree College, Narayanaguda, Hyderabad, has a positive relationship with the parents - one of the groups of stakeholders who play a very vital role in the all-around development of the institution. Since parental participation and cooperation are very necessary, the Principal and staff actively seek out opportunities to interact with the parents and maintain a friendly, cordial, and mutually beneficial relationship.

Objectives:

To establish a rapport with the parents of each new batch and also maintain the relationship with the parents of the senior students

To enlighten the parents about the aims, activities, and achievements of the college

To solicit their co-operation and support in all the developmental activities of the college

To encourage their active participation in the progress of their wards

To take feedback from the parents to gauge their satisfaction levels regarding the teaching-learning process, student support facilities, and institutional facilities and use it for all-round improvement

Outcome:

The college has been successful in achieving and maintaining a healthy and proactive relationship with the parents over the past five years. Efforts were made, every year, to bring the parents, teachers, and students onto a single platform for healthy interaction. The parents have shown a strong commitment to the welfare of their wards. They have also participated very enthusiastically in every meeting and have visited the college, at least once a year, either upon invitation for College Annual Day Celebrations, etc., or of their own volition.
