GOVERNMENT DEGREE COLLEGE MULUGU

FEEDBACK ANALYSIS & ACTION TAKEN REPORT 2020-21

Analysis of Alumni Feedback:

The alumnus of the Institution is one of the assets in the development of college. As there is no registered association of alumni in the college only feedback has been taken from the available alumni. The Institution is making its efforts in getting the alumni association registered in the days to come. 84 percent of the alumni have highly satisfied regarding the quality of teaching whereas 80 percent are contended with the infrastructure, library and other facilities of the college. 50 percent have opined that the syllabi are useful for competitive exams suggesting moderating changes in the syllabus.

Analysis of the Students Feedback:

The IQAC has takes feedback from the students regularly and assists the students in addressing their problems of transport, academic enrichment, distributing study material after going through their valuable feedback. Most of the students have addressed problems of transport and hostel facility and satisfied with the academics and asked for extra classes for difficult subjects. 60 percent of the students satisfied with the syllabus and facilities available at the institution.

Analysis of Teachers Feedback:

The teacher's role in both curricular and extracurricular activities and shaping the students career in a right way is invaluable. 75 percent teachers opined positively regarding scope of syllabus to pursue higher education and career. Only 66 percent of teachers told that the curriculum inculcates social responsibility among the students.

Action Taken Report:

As the parents have expressed their dissatisfaction on the location of the colleges, we have initiated to improve the transport facility for the students. In this regard, we approached the Manager, Warangal-2 Bus Depot which runs buses in this area and have given a representation to run special buses up to the college premises in the morning and evening when students enter into the college and go to their homes. As the scope of syllabus for competitive exams is not under our purview we convey the same to the concerned people of CCE and University and we hope that is heard and necessary modifications are done in future.
