Principal

Office: 08745-295017
Cell.No.9247864403

ACADEMIC FACILITIES AT GOVERNMENT DEGREE COLLEGE YELLANDU

SL.NO	DEPARTMENT	DESCRIPTION
1	Computer Science	<p>The Department of Computers established in 2000 - 2001 within the introduction of a restructured course B.Com Computer Application. The people's representatives of this area have enormously helped for the establishment and strengthening of the computer department in this college. The Department of Computers is committed to continuous improvement in the quality of education by enhancement of the knowledge of the students and staff members.</p> <p>The Department of Computers present a unique opportunity to study the existing field with the guidance of well qualified teachers.</p> <p>Now we have the computer science courses in both B.Sc. physical sciences and B.Sc. life sciences and also we have Computer Application course in B.A.</p>
2	English	<p>The Department of English started functioning from the academic year 1999-2000. Government Degree College, Yellandu imparting general English to Degree Courses with B.A (Telugu Medium) and B. Com (T.M) Courses and B.A (Comp) & B.Com (Comp) in 2000 and affiliated to Kakatiya University. Presently, English is taught as a compulsory subject for B.A.B.COM and B.Sc. courses in all six semesters. More than 90% of the students are first generation learners (ST's). They come from a very poor, social and economic backdrop. It is really a challenging job to teach them English, since they lack exposure to the English language right from school days.</p> <p>The Department has been organising seminars and workshops on a regular basis to encourage students to present seminars related to various topics relevant to their syllabus. Also, the department is trying to impart quality education to students to enable them to face the challenges and set themselves in different jobs for their livelihood.</p> <p><u>Vision</u></p> <p>Quality Communication for Personality, for Nationality</p> <p><u>Mission</u></p> <p>To enable the students to acquire communicative competence so that they make quality use of language as a means of creating conducive human environment imbued with vibrant interpersonal bonding, common understanding leading to global harmony.</p> <p><u>GOALS</u></p>

		<ul style="list-style-type: none">• Facilitating innovative pedagogy through latest syllabi, updated and quality instructions along with relevant technological interventions in English language and literature.• To impart English communication skills to the students.• To equip the students with manners, etiquettes and soft-skills.• To enable the students to use English language as a tool for employment and physical prosperity.• To develop interest among the students regarding literature as a fine art.• To inculcate aesthetic sense and human values among the students.
--	--	---

3	Telugu	<p>The department of Telugu came into existence along with establishment of Govt. Degree College in the year 1991. Since it is in the fore front of the college in every sphere of activity (i.e. Academic extension service are extra curriculum activities). The college and the department have been established to cater the need of poorer, needy, backward and tribal area students in this Yellandu division. Most of the families are socially and economically very backward and for all of them agriculture is main occupation, thus they depend only on Govt. educational institutions .A part from regular theory classes the students of this department have opportunities to explore their innovative academic thinking through participations in seminars, group discussions, Quiz contest organized by department moreover the Department organizes field works and Visit different places.In addition to this we are conducting waram-waram kavitha haram display on every Monday to write poems in Telugu the department encourages the students to write short stories in Telugu to develop writing skills in students.</p>
---	---------------	--

5	Physics	<p>The Department of Physics in the College has started in the year of 2009 with BSc MPC & BSc MPCS and CBCS system introduced in 2016. The Department maintains a tradition of excellence in teaching at undergraduate level. Faculty of the department participate in research in the active and exciting areas of physics. The Physics Department is committed to continuous improvement in the quality of education by enhancement of the knowledge of students. The Physics Department has highly qualified staff, well equipped with laboratories. The department presents a unique opportunity to study the exciting field with the guidance of well-qualified teachers.</p> <p>VISION AND MISSION</p> <p>Vision: Popularize the subject among the students</p> <p>Mission Lay strong foundation of the subject in the students leading to further higher studies and research. Simplification of the subject by the faculty in the form of simplified notes and easy to understand lectures. Inculcating interest in the subject among the students by involving them in research activities.</p>
---	----------------	--

6	Mathematics	<p>The Department of Mathematics in the College has started in the year of 2009 with BSc MPC & BSc MPCS.</p> <p>ABOUT THE DEPARTMENT</p> <p>The Department maintains a tradition of excellence in teaching at undergraduate level. Faculty of the department is participating in research, in the active and exciting areas of Mathematics. The Mathematics Department is committed to continuous improvement in the quality of education by enhancement of the applied knowledge in mathematics among students and staff members. The department presents a unique opportunity to study the exciting field with the guidance of well-qualified teachers.</p> <p>VISION AND MISSION</p> <p>Vision:</p> <p>The mathematics develops calculating , computing, critical thinking, reasoning, problem solving and formulating the skills for the upcoming mathematicians.</p> <p>Mission</p> <p>The Department of mathematics will offer course will ensure that the student learning skills will able to contributes to today's society.</p>
7	Chemistry	<p>The Department of Chemistry in the College has started in the year of 2009 with BSc MPC & BSc BZC.</p> <p>The Department maintains a tradition of excellence in teaching at undergraduate level. Faculty of the department participates in research in the active and exciting areas of Chemistry. The Chemistry Department is committed to continuous improvement in the quality of education by enhancement of the knowledge of students and staff members.</p> <p>The Chemistry Department has highly qualified staff & is well equipped with laboratories. The department presents a unique opportunity to study the exciting field with the guidance of well-qualified teachers.</p>

		<p>VISION AND MISSION</p> <p>Vision:</p> <p>Popularize the subject among the students</p> <p>Mission</p> <p>Lay strong foundation of the subject in the students leading to further higher studies and research.</p> <p>Simplification of the subject by the faculty in the form of simplified notes and easy to understand lectures.</p> <p>Inculcating interest in the subject among the students by involving them in research activities.</p>
8	Botany	<p>BOTANY</p> <p>The department of Botany came into existence at undergraduate level in the Academic year 2009 – 10 with the support of single faculty. The department have been established to cater the backward and tribal area students of Yellandu division. Most of the students are socially and economically very backward, for all of them Agriculture is the main Occupation. The department is provided with one well equipped laboratory. The department is enriched with learning assets like Charts, Specimens, Slides, Models, Herbarium and other modern facilities like internet, projector, OHP. Which help the students in independent learning. Every year department organizes field trips to study the natural flora and plant diversity. The department also encourages students to participate in seminars, group discussions, quiz competitions, elocutions organized by department.</p> <p>VISION</p> <p>To provide modern skill oriented and quality education to the students in Plant sciences and the Holistic development of students into valuable global citizens.</p> <p>MISSION</p> <ul style="list-style-type: none"> ▪ The department strives to provide the best educational opportunities possible for students to attain their academic goals. ▪ To cultivate critical thinking that can spark creativity and innovation. ▪ To make the students socially concerned.
9	Political Science	<p>The Department of Political Science has been in existence since the inception of the college in 1991. The college and the Department have been established to cater the needs poorer, needy, backward and tribal students. The entire Yellandu division is depending on Government Degree College, Yellandu. In Yellandu division most of the families are socially and economically backward and for all of them agriculture is main occupation. Thus they depends on only Govt. institutions. Most of outgoing students of this college from H.E.P&H.E.CA, H.P.CA are working various Organizations, and some students are doing PG in various institutions.</p>

10	Zoology	<p style="text-align: center;">Department of Zoology in a nutshell</p> <p>Government Degree College, Yellandu was established in the year 1991. But the department of Zoology was started in the year 2009 with B.Sc BZC course. Establishment of Science stream is a boon and boost to the needy students. At present, the department has only one lecturer. The result of the department is quite satisfactory having first and second class degree in almost every year. After completion of the B.Sc. degree, they move to pursue M.Sc. or higher studies in different universities of Telangana.</p> <p style="text-align: center;">VISION OF THE DEPARTMENT</p> <p>The prime vision of the department is to provide quality education to the under privileged sections of the society, specially devoted for the tribal students.</p> <p style="text-align: center;">MISSION OF THE DEPARTMENT</p> <p>The main mission of the department is to develop competent, dedicated and committed educators to serve the tribal community, at large caters the needs of the society.</p>
11	Economics	<p>The Department of Economics came to the existence with the establishment of the college. The college and the Department have been established to cater the needs poorer, needy, backward and tribal students. In Yellandu division most of the families are socially and economically backward and for all of them agriculture is main occupation. Thus they depend on only Govt. institutions for higher education. The department has been attracting a large number of students and educated thousands of students over these years. The subject to be a favorite of quite a good number of students in BA .The former faculty who worked in the department were Sri.T.Siddulu, Dr.B.Sudhakar, Dr. M.Koteswara Rao inspired many students to get seats for PG courses as well as B.Ed. Seats and other higher studies and working in various fields in state and national.</p>

12	Commerce	<p style="text-align: center;">Introduction</p> <p>The Department of Commerce was started since the inception of College in the year 1991. Initially B.Com (General) was started with intake of limited students. However in the coming years new demands are arrived for searching of new avenues in the field of commerce education. Now a day's drastic changes were taking place in the field of accountancy such as usage of computers in accounting and income tax filing. To bridge the gulf in between the accountancy and computers, B.Com (Computer Applications) was started in the academic year 2000 -2001. Presently the Department of Commerce offers B.Com Computer Applications in English Medium only, with an intake of 60 students. Ever since from inception the department has been striving hard to develop the best talented, multifaceted students in the field of commerce.</p> <p style="text-align: center;">Vision</p> <ul style="list-style-type: none"> • The main vision of the department is to provide quality education in commerce. • Introducing innovative teaching and learning methods to develop future business leaders, entrepreneurs and above all good industrialists of nation. <p style="text-align: center;">Mission</p> <ul style="list-style-type: none"> • Empowering the students with all the knowledge and guidance to become worthy management professionals. • To provide holistic and value based development of students which ultimately enhances their employability. • To Nurture the students to deal with the modern world ever changing business environment. • The prime aim of the department is to develop global business leaders with humane outlook.
----	-----------------	---
