The Registrar,
Kakatiya University,
Warangal.

Sir,

Sub:- GDC Mancherial – Communication of Feedback collected from the stakeholders for the academic year 2020-21 – Request – Reg.

Ref:- Feedback collected from the stakeholders

< ><>< >

With reference to the subject cited above, the Government Degree College, Mancherial has collected and analysed the feedback received from the stakeholders. The action should be taken from the affiliating university regarding the following points:

1. Most of the stakeholders requested for streamlining the academic years so as to enable them to go for their higher education in time.
2. The syllabus of the modified courses should be provided prior to the classes. The students expressed that they are unable to get syllabuses even after months of instruction.
3. The results of semester end exams must be declared before the announcement of exam fee date. Sometimes, as the students mentioned, they are unable to decide whether to pay the exam fee for the previous semester.
4. The almanacs are not released in time. Due to this, as the students said, the instruction of classes is delayed.
5. The courses must be integrated with internships, field trips, and project works in order to provide them the exposure to the reality.

Therefore, I request you to kindly take necessary action in this regard, and provide the Action Taken Report for the above mentioned feedback from the stakeholders.

Thanking you sir,

Yours faithfully,

Principal
