

TARA GOVERNMENT COLLEGE, SANGAREDDY
(AUTONOMOUS)
RTI ACT 2005

The Right To Information act 2005 was passed on 15 June 2005 by the Parliament. As per the act, the organizations defined as “Public Authorities” shall provide information to the public. They must also create necessary arrangements in order to promote transparency and accountability in the respective working places. Tara Government College, Sangareddy was established in the year 1977. It is a public funded institution. Presently, the below-mentioned members look after the implementation of RTI Act in the college.

S.No	Designation	Name
1	Appellate Authority	Ms. M. Praveena Principal (FAC) 9154806841
2	Public Information Officer	Dr. S. Upender Asst. Prof. of Mathematics 9848696776
3	Asst. Public Information Officer	Sri Dinesh Shukla Administrative Officer 9949235888

ABOUT THE COLLEGE

Tara Government College came into existence in 1977 on the aspirations, of Mrs.Tara Swaroop, a benevolent and philanthropic doyen, who donated the corpus fund Rs.2 lakhs. The college started with a strength of 232 and rose in leaps and bounds since then, reaching a pinnacle of 3429 in the current year. We are offering 41 UG programmes and 10 PG in the present academic year. Located quite near to the capital city of Telangana, Hyderabad, it is a gentle admixture of both rural, urban and suburban students. Our institution has been the seventh in attracting the highest number of students in UG programmes for the past 5 years. It is the only Government institution that offers 10 PG programmes in the entire state.

Affiliated to Osmania University, the college was accorded autonomous status by the UGC in 2015 and was permitted to run in autonomous mode from the succeeding academic year. The institution has a NCC and 4 NSS units. The college has been striving hard to prove its mettle and the stake holders brought laurels to the institute and state as evidenced by the number of national RD selections, research publications, international prizes in sports, to quote a few.

The institution rose to the occasion whenever the situation arose: whether serving as a COVID vaccination centre or adopting villages, to mention a few. This is one of the few institutions in the state of Telangana which has got recognition by the NIRF, ISO 9001: 2015, Swach Bharat Short Film Festival Competition- 2016, State level Green Champion Award for clean campus. It has many innovative initiatives in various fields. It is the PFC, namely, Parthenium Free Campus, Plastic Free Campus. We have been collaborating with national and international importance with various research houses, institutions and educational institutions through 40 MoUs. Innovative teaching learning methods such as Peer Learning are the result of an MoU with prestigious IIT Hyderabad.

The institution has been empowering itself and the stakeholders by adopting various measures such as CAIMS, e- office. This has brought in efficiency, speedy disposal of files

and transparency, apart from reducing the usage of paper. Ours is an Identified (ID) college and District Resource Centre (DRC), which means it caters to the academic needs of other Government Degree colleges in the Sangareddy district. It acts as a nodal agency between other colleges of the district and Commissionerate of Collegiate Education. In this way, the college also leads by example.

The institution is blessed with talented and dedicated teachers. A few of them contributed to Intermediate, Degree and Post-Graduation text books. The students also made the institution proud by getting selected to 14 NICs, 4 RDs, state level PG entrance tests, jobs in Infosys, Capgemini. Mr. P. Shyam Prasad ascended Mt. Kilimanjaro in 2019. Thus, our students proved themselves in scaling heights of success, both metaphorically and physically.

The institution successfully mobilized funds from philanthropists for establishment of Data Science labs and other purposes. The autonomous status brought in structural changes in academic, administrative and financial entities of the institution and helped the institution excel in many areas. Many new programmes were introduced, certificate courses were conducted and enriched the students in honing skills, employability and entrepreneurship abilities. As the Hon'ble Commissioner of Collegiate Education, Telangana, Sri Naveen Mittal IAS, is also the Chairperson of Governing Body of the institute, he has been nurturing the institution in helping it excel in serving the society through students.

In this way, Tara Government College Sangareddy(A) has been imparting academics, values, skills and helping the students in becoming all round human beings by chiseling out their raw intelligences to perfection duly pursuing its vision. Right from nurturing competence to instilling aspirations, the institution has been performing its responsibility with acumen.
