DEPARTMENT OF LIBRARY & INFORMATION SCIENCE

**SRI CHITTEM NARSI REDDY MEMORIAL
GOVERNMENT DEGREE COLLEGE,**

NARAYANPET

Library is considered as the center for information storage and retrieval. It performs a supplementary and complementary role in teaching-learning and research activity. The services of the library contribute significantly to the development in information services particularly the e-learning process. Libraries today shoulder newer responsibilities in higher education wherein classroom teaching plays a facilitating role and the library becomes the primary learning resource. In spite of the dawn of e-Books and Online resources available at the click of a mouse, the necessity of books and the library is relevant even today.

The Department of Library Science is located centrally in the College premises for the Convenient use of students and staff. Library is a place of learning and plays an important role in the education of students. The college Library comprises learning resources i.e. Books, Periodicals, Magazines & various Journals for use of UG & PG students. The Library is computerized with NEWGENLIB package of VERUS Solutions. There is a separate Reading Room and Reference Section in the Library to inculcate the reading habit and to train the students in using the Library through Orientation classes. A separate visitor's register is maintained for the use of students and staff.

VISION:-

- To provide a student-centered learning environment that facilitates transference of information and to cater to the needs of its users to access it.

MISSION:-

- To acquire, organize, preserve and disseminate information and resources to support the teaching and learning needs of faculty and students.
- To lead in library development and library services
- To increase the reading habits among the library patrons.

AIMS AND OBJECTIVES:-

- Extend the support to teaching, learning and research initiatives of the college
- Provide accessibility to information and other resources in a well organized manner
- Provide career and employment information resources to the users
- Create a suitable ambience for optimum usage of library resources
- Assist the users in retrieval of reading materials and e-resources
- Inculcate and development of reading habits among the users

LIBRARY INFORMATION

Books are for use. All books are kept under Open Access to facilitate students and lecturers. Provision of Reference Section is made in the Library for spot reference and textbook reading. Reference books like Dictionaries, Encyclopedias, Yearbooks, subject reference books etc., are open for reference within the library. Identified copies of text books are kept for reference in the Reference Section.

All the bonafide students admitted in the college as per the nominal rolls are issued textbooks for home reading for a period of 15 days. Renewal facility is provided if the same books are not in demand from other students. Text books and reference books are issued to lecturers at regular interval.

The students are required to produce the College identity card for borrowing books and should return the books before the due date i.e. within 15 days to avoid inconvenience to other students.

LIBRARY SPACE:

The library is situated in two big halls.

- (i) Library & Reference Room with an area of 100' X 20' =2000sft.
- (ii) Reading Room with an area of 50'X20'=1000sft.

Library Working Hours: 9:30 A.M to 5:30 P.M on all working days.

The library committee is an advisory body complementing the Librarian for smooth and effective functioning of the library. The Committee members meet at regular interval to review and discuss matters relating to progressive development and modifications needed in the library.

The Advisory Committee advises the Principal on the issue of purchase of books, subscription of periodicals, maintenance and general policy regarding the functioning of the library.
