Government Degree College Nasampet was established on 03-12-1984 and completed 36 years. The college has a registered alumni association that supports college activities and its progress. As stake holders, they participate in some of the meetings such as CPDC Meeting and meetings of Extracurricular activities. The college conducts the Alumni Meeting twice in a year. The alumni members include old students, who are settled in business, employed in public or private sector, pursuing higher studies and most of them who completed their graduation recently are jobseekers. The alumni attend and participate in various programmes and workshops/conferences conducted by college and share their experiences to motivate our students. The Alumni members have been encouraging the students for a long period to excel in various activities such as Career Development, preparing for competitive exams and community support activities etc. The college invites alumni members on the occasion of Freshers Day, Farewell Day, Independence Day, Republic Day, Seminars, Workshops, Meetings, Sports and Cultural events and other occasions. Most of the members attend the college and try to motivate the students and give their valuable suggestions for the development of the college. The data of alumni is available with college and it is included in the following template.
