About the College:

Bodhan is an important and historical place in north telangana region of telangana state. It is well known and popular for a national level sugar factory, the nizam sugar factory. And bodhan town can be called an educational Hub. Where all kinds of colleges are imparting education to all types of students communities. It had been a well-known centre of education for decades. The literacy percentage is 66%. Particularly in this town Muslim students really coming forward in all kinds of activities.The TRS leader ShakilAamir, the present member of assembly of telangana state of bodhan constituency. The languages used here primarily are Telugu, Urdu, Marathi and Kannada.

Govt. Degree College was established in the year 1983 at this town, Bodhan. The college was accredited with 'B' Grade by NAAC. The NAAC Grade is to promote quality education to the students. Every year quality to be improved compared to the previous years. College offers B.A, B.Com and B.Sc. UG courses in which more than 650 students are being given communicative, competitive and computer skills. Skill development programmes are frequently arranged in the college. This college has achieved Jhignasa student study projects consecutively for three academic years in URDU language.
