Initiatives for Greening the Campus

1. Restricted entry of automobiles :

Majority of the staff and students come by walk to the college as they reside very near to the college. Some of the staff members use public transport system to come to the college. Very few staff members use two and four wheelers to come the college. Two wheelers bikes parked in parking area of the college.

2. Use of Bicycles/ Battery powered vehicles: The college main building and new building side by side and the entire department are situated within it, the question doesn't arise for the use of bicycles / battery powered vehicles to move within the college premises.

3. Pedestrian Friendly pathways: The approach road from the college gate to the main building, and to the boys hostel and the corridors within the college building are pedestrian friendly pathways.

Ban on use of Plastic: Use of non-recycle plastic is prohibited in the college campus. In the academic year 2018-19 a massive plastic free campaign was conducted and whatever plastic waste that was there in the college campus was collected and disposed. And the college is declared as non-recycle plastic free campus.
