## ICT based teaching learning

Technology is the application of science to address the problems of daily life. The Government Degree College A&C, NAGARKURNOOL has acquired self reliance in implementing technology-based teaching and learning.

### DIGITAL CLASS ROOMS:

There is one digital classroom with a system, projector and a smart board with touch enabled screen connected with WIFI. The whole campus is wifi enabled so as to give the students access to the technology. The students have a computer laboratory. The faculty members make use of the digital classroom to present their power point based lectures, to show lecture videos from the online resources like NPTEL , T SAT Nipuna lectures to the students.

E-Content:

The CCE have prepared E-content on various topics and uploaded on the T SAT YOUTUBE Channel namely Excerpts from Experts.

TSAT:

There is a for telecasting the Education based telecasts live and recorded lecture videos presented by the lecturers from all over the state from the CCE. The schedule of the telecast topics will be shared to the colleges well in advance, the students are taken to the ICT room to watch the lectures

### Social media groups:

The students and staff are digitally connected by various SOCIAL MEDIA like Whatsapp groups : Exclusively for staff, staff and students to communicate the general instructions, TSKC group, NSS group and various Program-wise groups to communicate the subject related matters.

### Trainings and workshops:

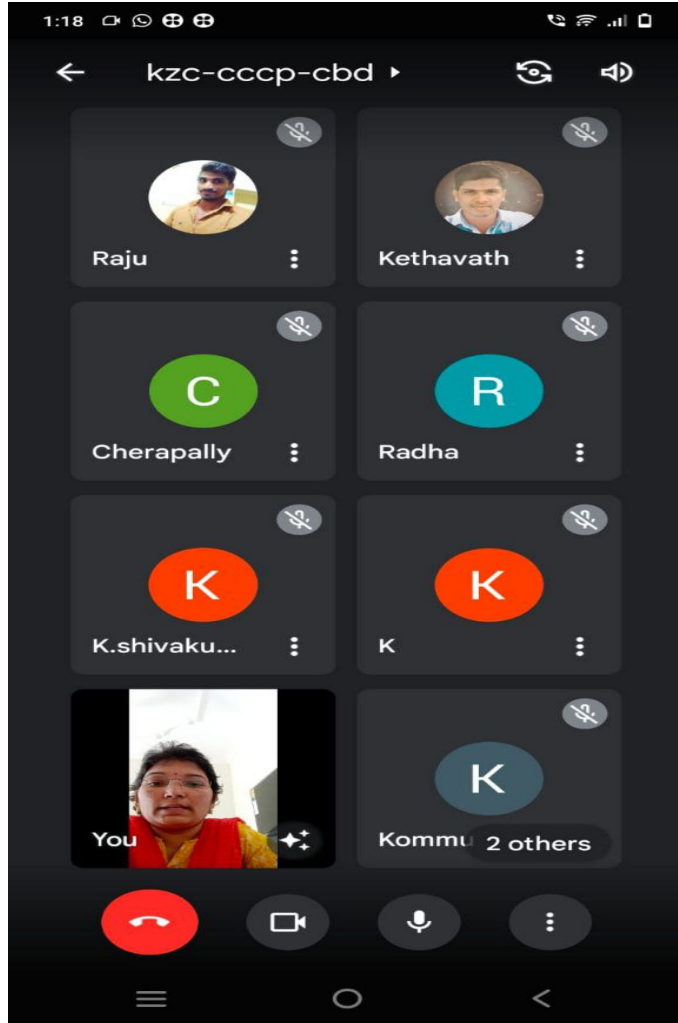

The teaching faculty have undergone a **One week Faculty Development Programme** on Application of **ICT tools**, a hands-on experience to prepare lecture videos, effective use of Google products like Classroom, forms, spreadsheets etc. , organized by the CCE. The faculty of GDCNGKL attended and makes video lessons in pandemic time, share to students social media groups

### ONLINE classes:

All the faculty are well acquainted and were actively involved in conducting the online classes on ZOOM and Google MEET platforms during the ending of the 2019-20 academic year due to the lockdown announced from 16<sup>th</sup> March 2020 onwards. The remaining syllabi in all subjects were completed online mode. Students generally use their smart phone for this purpose. Attendance of the students was marked and day to day teaching diary was maintained during the lockdown period also.
