OBJECTIVES OF THE PROGRAM:

As the part of departmental activities and to inculcate research aptitude among the student community Department of Mathematics organized an extension lecture with P.SRINIVASARAO, Lecturer in mathematics, Government Degree College, Paloncha.

BRIEF DISCRPTION:

Department of Mathematics organized an extension lecture on *Linear Transformation* for 3rd year students of B.Sc. physical Science stream. The resource person explained the concept of Linear Transformation from the

topic Vector Spaces and encouraged the students to solve problems on Linear Transformation. This topic is most useful for science students in their education life

EXTENSION LECTURE

The Department of Computer Science arranged an Extension lecture on "DBMS" on 02nd Dec, 2021.

Dr. S.Srinivasu, Asst.Prof.of Computer Science, Government Degree College, Palvoncha, was invited as the guest speaker. He has given brief description on Database System, System Development Life Cycle, Database Concepts and Data model and different types of data models to the students. For this programme our Principal Dr.P.Padma presided and all the students of B.Com and B.Sc and BA are participated in the programme.

Objectives of the Programme:

1. Awareness of Databases.
2. Sorting and performing transactions on databases.
3. Developing on Software Programming.
4. Decision making with available data and information.
