Environment Policy

Introduction

A higher Education Institutions' role does not stop just from teaching and issuing certificates. Its role in protecting environment is a vital one. Protecting environment and working towards its sustenance is a sacred duty of students and other stakeholders. Tara Government College has been offering an SEC course in environmental Science in UG. Many more topics related to environmental protection are introduced in UG courses. Against this backdrop, the policy on environment is formulated.

Rationale behind the policy is to

Raison d'être

- ❖ To protect environment through the stakeholders.
- ❖ To sensitise students and staff about latest know-how on environment.
- ❖ To initiate measures in experiential learning with reference to environment.

Policy

Tara Government College (A) has devised its own environmental Protection Policy by duly honouring standard policies that are practiced by the Government of Telangana and Government of India. The time-tested maxim "Recycle Reuse Reduce and Refuse", is followed in letter and spirit.

The following are the salient features of the policy

- ❖ This policy honours and follows the e- waste guidelines forwarded to the College by CCE.
- ❖ Plastic will be used to the minimum, i.e., only when required.
- ❖ The College is a No Plastic zone.
- ❖ It is declared as PFC (Plastic Free Campus).
- ❖ Environmentally harmful plants such as Parthenium are weeded out. The college is a Plastic Free Campus (PFC).
- ❖ Students actively Participate in and motivate to participate in Plantation and Protection of plants.
- ❖ Our college will work towards the goal of making itself a carbon neutral campus.
- ❖ All equipment purchased must be low energy consuming.
- ❖ The college has its own Eco club which works in collaboration with other departments/ clubs/committees/cells to enforce the policy.
