Scholarship Policy

Considerable number of students who join our college hail from financially strained sections of society. They are socially and financially backward. About 94 per cent of students get scholarships which they deserve. Scholarships enable students to meet their expenditure. Against this back drop, the scholarship policy has been prepared.

Rationale behind the policy making is to

Raison d'être

- ❖ To help deserving students get scholarships.
- ❖ To help students get reimbursement
- ❖ To disburse merit scholarship students
- ❖ To honour students with meritorious scholarships and gold medals for toppers.

Policy

- ❖ The college has a dedicated scholarship committee.
- ❖ A notice is displayed on notice boards and informed to all students as soon as the social welfare departments invite students to apply for scholarships.
- ❖ For forwarding of scholarship forms, no processing fee is taken from any students.
- ❖ All eligible application forms are submitted to departments concerned if they apply in time.

- ❖ Sensitisation regarding 'how to apply for scholarship' is imparted in the first month of UG admissions or during induction training.
- ❖ Scholarships are directly deposited into the accounts of students.
- ❖ Reimbursement forms are processed from the college.
- ❖ All toppers get merit scholarships from the college.
