Teachers use ICT enabled tools for effective teaching-learning process

Apart from the traditional lecture technique, our college has taken the following steps to promote students' innovative, creative, and scientific temperament. Method of Instruction that is Interactive Students must solve problems in topics such as Mathematics, Physics, Chemistry, Botony, Zoology and Commerce, as well as display charts and models. Field Trips, ICT-based Teaching, Power Point Presentations, Audio- Video Plays, Students Seminars via ICT, Extension Lectures for a broad range of knowledge on specific topics, Work Shops and Certificate Courses, Experimental Learning for Practical Exposure of the Subject, Elocution, Essay Writing, Debates, Quizzes, Speed Reading, Role Plays Analytical Skills, Interview Skills, and Soft Skills are arranged.

MALD Govt. Degree College, Gadwal is pleased to adopt various innovative teaching approaches, methods and tools. The college is augmented with ICT facilities like e-class roomsand Virtual class rooms. The college has 3 digital classrooms and 1 Virtual classroom for effective and qualitative delivery of the academic content. The faculty of the college trained in the usage of ICT tools and it became compulsory in COVID pandemic situation. Every faculty member conducts lectures using PowerPoint presentations, animations and documentaries. All the teachers created YouTube channels and preserved their respective departmental video lessons in that channel for the welfare of students. The students of the college also trained for using the ICT tools, thereby facilitating them to present their students seminar – webinars, online classes through ICT mode.
