ZOOLOGY DEPARTMENT PROFILE

HISTORY OF DEPARTMENT

Department of Zoology established in the year 1960 with pre university course where Zoology subject was taught under biology. In the year 1962 Zoology subject was offered as one of the optional in B.Sc., Degree course. The primary objective of the department is to impart quality education in the subject of Zoology. Within this broad stream, students are taught varied subjects like Cell biology, Ecology, Physiology, Genetics, Immunology and Biotechnology. Knowledge of Applied Zoology paves way for self employment through opportunities in Aquaculture, Api-culture and Vermi-culture. Sri. K.Nagendra Rao was the first Head of the Department of zoology.

Overview

Being one of the oldest departments to be established right from inception of the institution. It serves to inculcate social responsibilities and serve the society by not only becoming Teachers, Scientists, Environmentalists but also responsible citizens who bridge the gap between science and common man

Vision, Mission & Motto

VISION - The Department of Zoology is a nurturing ground for an individual's holistic development and to inculcate fraternal spirit for effective contribution to the society in a dynamic environment.

MISSION - "Through purposeful learning the creativity blossoms; when the creativity blossoms thinking emanates and the knowledge are fully lit."

MOTTO - Aspire, Act & Achieve

The very ethos of the department is to enable students to imbibe the values of discipline, hard work, cooperation, team spirit, tolerance and communal harmony. Academic and personal counseling motivate the students to "Set goals high and Dream high" and achieve success.

A host of co-curricular activities are organized every academic year to make learning beyond the class room, activities include seminars, workshops, guest lectures, community service and outreach programmes

Best Practices

The Department faculty provides prizes to the toppers of the zoology in public examination with cash awards which is a regular feature of the department

Experts from various fields give talks, exposing them to various career options. The department caters to the needs of students in the following areas - Book bank, counseling and alumni meet. To supplement class room teaching on-line quiz and study materials are provided to the students on the departmental blog.

Infrastructure

The department is furnished with spacious lab, zoology museum and infrastructure for practical learning and also promoting the use of ICT. The Department has accumulated a store house of knowledge, with various books and journals.

Apart from the lecture method, the interactive method, project-based learning, computer-assisted learning, experiential learning, seminars and other methods of teaching are in practice

Research/Projects

The faculty motivates the students and develops the skills with which they find a way through the sea of knowledge using innovative methods. Since the inception of the department the students are actively involved in study projects

- ❖ The department has MoUs with Department of Fisheries, Gadwal.
 - ❖ The Department organizes Nature camps, Eco-aware programmes, Nutrition & Health concern programmes, Interdisciplinary surveys and outreach programmes in collaboration with NSS units & Red Ribbon club programmes
 - ❖ The Department organizes and attends faculty development programs, seminars, workshops, conferences at national and international level
