1.2 Strength, Weakness, Opportunity and Challenges(SWOC)

Institutional Strength

The institution is situated in the heart of the town and surrounded by rathiburuju. It is very near to bus stand and railway station, and has a good transport system.

The college building has 6 blocks with 54 rooms, categorized into administration, offices, labs, lecture halls, library block, sports and gym complex, two blocks of toilets, RO, UV& Ozone sterilized purified water plant. it is with fully –automated library, 145 computers, internet and Wi-Fi facility.

The college building is constructed with the financial support of UGC and RUSA funds.

The college is offering 9 UG Programs in Telugu, English media following CBCS pattern.

The students belonging to SC, ST, BC, Minority, and PHC will get admission in this college as per the Telanagana state reservation quota.

Student admissions are carried out through **DOST**, an online based student centric admission system.

P.G courses were started from the academics year 2020-2021. Administration is decentralized.

The college shows perpetual good results.

Our college has Telangana Skill Knowledge Center (TSKC), registered with Telangana Academy for Skill and Knowledge (TASK) and COIGN –DISHA a franchise of UNDP. The college has four NSS units, WEC, RRC, Eco-Club, Consumer Club, etc.

The college has 2f and 12B recognition of UGC, B-Grade in 2006, and B-Grade with 2.55 CGPA in 2014 by NAAC.

College achieved district green champion certificate for the academic year 2020-2021 by MGNCRE, MINISTRY OF EDUCATION, Government of India.

Open University study center, examination center under Dr. B.R. Ambedkar Open University Hyderabad, has been established in the college to provide distance education to the local students/audlts by the teaching staff on sundays.

The college is offering Add-on courses.

The college is processing all types of scholarships offered by the State and Central Governments. Gold Medals and cash awards (Rs.5000/- each) to the subject wise, faculty wise, and College toppers.

Institutional Weakness

- The college has only 5.1 acres of land area being in the Rathiburuju and two Govt junior colleges (boys and girls separatly) are running in the same premises and some area is under Sri Bhulaxmichennakesavaswamy temple. It has limited scope for future expansion.
- The inadequate accommodation i.e. lectures halls and laboratories.
- As per the enrollment of the students in each combination of UG courses the required teaching faculty is 64 but as per SMPC only 57 posts are sanctioned, where in only 8 Regular and 15 +24 are temporary (contract and guest faculty) are working.
- The college heavily depends up on temporary faculty for the last half a decade and the posts of the Physical Director and Librarian are vacant for the last two years.

The student-full time teacher ratio is very high i.e. around 45: 1.

The college purely depends on Govt. funds only. However, the college is in the way of procuring the ICT related equipment.

There is no attached hostel facility.

Institutional Opportunity

The college is utilizing all available opportunities to develop it as a leading institution at Gadwal district.

In spite of all the weaknesses the college has submitted its proposal for the autonomous Status in June-2013.

The college is planning to construct an additional class rooms in second floor. The estimations have been submitted to the CCE-TS for necessary action.

The college has better scope to increase its enrolment both in UG & PG Courses as it is situated inmiddle of the town.

Planning to convert some of the normal class rooms as digital Class rooms. Encouraging the students to get more Prathibha awards.

Planning to start Hub of the Add-Oncourses. Participation in variety of extension activities to promote social responsibility and social awareness among the students.

The college is motivating and training the students with the help of Placement Cell, Career Guidance Cell, TSKC registred with TASK, DISHA to face various competitive exams and jobs with zeal.

Institutional Challenge

The work load is too heavy to carry out all the Curricular, Co-Curricular and Extra-Curricular activities. There are more number of vacant posts in the Teaching & Non-teaching posts.

The student-teacher ratio is very high.

Paucity of funds for growth and expansion.

Retaining the experienced faculty is not in the hands of the college.

1.3 CRITERIA WISE SUMMARY

Curricular Aspects

The institution follows the academic curriculum designed and prescribed by the affiliating Palamuru University, Mahabubnagar. All the academic programs offered by the college are in line with its vision and mission which not only impart the subject knowledge but also focus on the overall development of the students. The academic curriculum is so designed that skill-development and value –addition subjects are also incorporated which improve the communication skills & soft skills, creating the social & environmental consciousness and imbibe the ethical, moral values and also nurture the service motto among them.

The college is offering 9 programs at UG level in Telugu, English media, and 5 P.G. programs viz., BA CBCS E/M, B.A CBCS T.M, BCom COMPUTER APPLICATIONS T/M and EM, UM, B. Com Taxation EM; B. Sc PHYSICAL SCIENCES, EM; BSc LIFE SCIENCES TM,& EM; and at P.G. Level 5 programs M.Com, M.A

The semester system as per CBCS was introduced from the academic year 2016-17. Now, all the three year batches are following the CBCS semester system. The IQAC collects the feedback from the stake holders on the academic programs, curriculum and also on the performance of teachers. All the inputs are analyzed and suitable actions accordingly are initiated to maintain the quality of the education .The institution takes all the measures to strengthen the ICT, library and IT for the effective translation and transaction of academic curriculum. Add-On Courses are also offered by the college.

Teaching-learning and Evaluation

The Telangana government has introduced the centralized ON- LINE process of admissions through the website **DOST** (Degree Online Services Telangana) from the AY 2016-17..The eligible candidates have to apply through ON-LINE mode for UG admissions. The seats will be allotted in the college based on his/her merit and the reservation category as per the options made by the students.

To achieve the targeted goals in teaching —learning process, the college implement the academic strategies prepared by the IQAC such as preparation of annual academic calendar, annual curricular plans. The teaching staff follows the Student -centric methods of teaching and uses all the available teaching-aids along with the traditional chalk-board method. To make the teaching-learning process effective the strategies like debates, group discussions, student seminars, etc. are also implemented. The institution by its continuous monitoring and evaluating mechanism ensures the quality of teaching with its qualified, dedicated and expert teachers.

The institution conducts the unit tests / internal exams for augmenting the performance of the students. Based on the evaluation results the students are divided into slow and advance learners. The remedial coaching classes and other measures are used to upgrade the standards of slow learners. By using Continuous Internal examination and evaluation process the progression is critically examined and analyzed by the mentor and the performance is recorded and then necessary guidance will be given to them to achieve the expected learning outcomes.

Research, Innovations and Extension

The college gives priority to academic research and thus constituted a Research Committee with an endeavour to motivate, encourage, guide and support the faculty in applying for UGC sponsored MRPs, to present papers in National Seminars, Conferences, and Workshops. The college also encourages the staff to pursue research work under MRP, Faculty Development Programme (FDP). Out of the 8 regular faculties, three are with the PhDs, one is the M. Phil and three faculty members are in the persuasion of their Ph.Ds.

The college also provides such an environment to the students to take certain research activities like Study projects, field works and field trips, etc., The college has four NSS Units including one woman unit, and RRC, Eco-Club, Medical & Health Centre, WEC to organize various extension activities like Blood Donation Camps, Self -Defense Training, blood grouping & HB level check-ups, awareness Programs on AIDs, Health & Hygiene, Women literacy and Plantation Programs in collaboration with the affliating University, Govt. & Non-Govt. organizations.

The gym and health center ensure the health and hygiene, career guidance and Placement cell, conduct the counseling and career opportunity programs associated with TSKC & TASK, The College has a full-fledged library with internet center

Governance, Leadership and Management

The institution clearly defines its aspiration and strategic actions in its vision and mission. The Principal and staff of the college are well articulated, transparent and dynamic in their efforts and actions to whom CPDC supports completely. The Principal acts as the academic and administrative leader and whose experience is the guiding torch for the effective implementation of the various programs.

The institution adopts the decentralized process of structural management in which the college constitutes the various committees at the commencement of the academic year to undertake academic and administrative, programs. The staff meetings are organized every month once or twice as per the need to discuss various issues and issues emerged unexpectedly, to resolve or to bring out policies and its strategic implementation for bringing quality in education rather than quantitativeness.

Review meetings will be conducted first at the department level and then at institutional level regularly to review the progress of Teaching -learning process. In these meetings the Principal as a head will judge and evaluate the performance of the entire faculty with the help of IQAC, academic coordinators and HODs. the Principal also conducts the CRs meetings to ensure their participation in academics and administration .The principal implements all the decisions, plans, polices and strategies regarding academics and administration through various committees such as Admissions, Special fee and Additional Special fee, purchase, UGC, IQAC, NSS, library, etc. The time to time feedback and suggestions collected from the stakeholders are helpful in rectifying the lapses and planning the effective management.

Institutional Values and Best Practices

The performance of the institution and its quality maintenance largely depends on the innovative steps that are groomed and implemented in the academic, administrative issues. The awareness and sensitization programs conducted by the various wings of the college will not only promote the environmental and social consciousness but also nurture the culture of safeguarding the ageold traditions, morals and ethical values among the students and staff as well.

The following innovative activities are implemented

- 1. Mock assembly
- 2. Daily activity register
- 3. Introduction of INFLIBNET and library automation
- 4. Providing purified safe drinking water.
- 5. Installation of CCTV in the college campus.

4. Quality Indicator Framework(QIF)

Criterion 1 - Curricular Aspects

1.1 Curricular Planning and Implementation

1.1.1 The Institution ensures effective curriculum delivery through a well planned and documented process

Response:

The aim of the college is "to equip the students of our college with well-advanced skills, to face the ongoing challenges in modern life and to prepare them as perfect graduates".

Our College is affiliated to Palamuru University, Mahabubnagar and the University prescribes the curriculum for all the courses by the concerned Board of Studies, the same curriculum is followed in the college. The suitable co-curricular and extracurricular activities are designed and implemented in the college. Based on the curriculum our college is adopting **job-oriented certificate courses and adds on courses** to enrich the knowledge and skills of the students. Maintaining records such as syllabus framing, notification, enrollment, conducting the classes, assessment, and issuing certificates, etc, will be maintained by the respective departments.

The curriculum planning and implementation work is taken out in a planned way. The Principal constitutes the various committees by nominating the faculty in the first or second week after the reopening of the college. Each committee is constituted with a convener and members. To prepare the **college annual academic calendar**, the Principal conducts the meeting with a team consisting of IQAC, academic coordinators, and HODs of all the departments to reflect the annual academic calendar issued by the CCE-TS and the almanac issued by the affliating University.

The HODs conduct the meetings with their staff members in their respective departments. They prepare the **annual action plan** of the departments, subject-wise & paper wise based on the blueprint provided by the affiliating University. The teaching dairies are prepared in such a way that, they contain individual time table, workload, and lesson plan on the curriculum, the topic covered in the classroom, and the mode of teaching and teaching aids used in the classroom Co-curricular and extracurricular activities are also mentioned in the teaching dairies.

The college annual academic calendar also guides the departments to organize various programs related to the academics such as Induction programs, personality development seminars, skill-enhancing training, the celebration of the special and important dates of every month, field trips, educational tours, TSKC, and TASK, etc.

The faculty utilizes **modern technology** to make the teaching-learning process more effective.

1.1.2 The institution adheres to the academic calendar including for the conduct of CIE

Response:

The college authority prepares the academic calendar by fusing the annual academic calendar issued by the Commissioner of Collegiate Education, T.S and the Almanac issued by the Palamuru University, Mahabubnagar. The academic calendar will be issued to all the departments in a form of handouts/manuals. Then every department will prepare its course-wise annual curricular plan, lecture-wise individual lesson plan, and departmental annual action plan for every academic year. The college strictly adheres to the academic calendar to undertake various activities mentioned in it. Similarly, the college follows the almanac schedules framed by the Palamuru University to run the curriculum smoothly and further follows the question Paper patterns, and conduct internal and external examinations.

As part of the continuous assessment process, all the departments conduct the assignments, student study projects, quiz competitions, and group discussions. All the teaching faculties strictly adhere to the annual curricular plan. The entire teaching faculty maintains individual teaching dairies, with all mentioned details. If class work is suffered from strikes or so then the same will be compensated in extra classes.

The HODs conduct the review meetings once or twice a month in their respective departments to know the status of **curricular and co-curricular activities** such as completion of syllabus, assignments, preparation of question papers for internal exams and their assessment to monitor the conduct of co-curricular activities like remedial coaching classes, seminars, quiz competitions, group discussions and etc based on the student merit.

The Principal also conducts the review meetings with the help of IQAC and academic coordinators once /twice a month to know the status of academic activities and also verify all the academic records, whether they are adhering to the annual academic curricular plan or not i.e. **internal academic audit**, If any lapses are identified immediately counseling is given to the faculty.

As in the part of the state-wide policy, CCE, TS conducts annual academic audits of the colleges. CCE, TS nominates a team and its members with the senior faculty from the other colleges in the state. The team will visit the college as per the schedule given by CCE, TS, and verify all the registers and records. Further, the institution follows the valuable suggestions given by the team about enriching the curricular and other activities and their documentation.

1.3 Curriculum Enrichment

1.3.1 Institution integrates crosscutting issues relevant to Professional Ethics ,Gender, Human Values ,Environment and Sustainability into the Curriculum

Response:

MALD Government Degree College, Gadwal always encourages students not only in curricular activities but also in co-curricular and extracurricular activities. The teaching staff are fully aware of current social, economical and environmental changes in our state, country and world.

Palamuru University added courses like Indian Heritage & Culture, Human Values & Professional Ethics, Environmental Studies, Science & Civilization in curriculum in which students know about our heritage, culture & ethics which are very important in the present days. These courses also enhance student knowledge about environmental changes which is a big problem in the modern world.

Gender Sensitization is also a course in Palamuru University curriculum which teaches about equality of gender. Disaster Management, Basics of Renewable Energy are helpful to students to understand present

requirements of world to reduce usage of fossil energy resources which causes global warming, and how to face disasters such as floods, drought which are caused by global warming.

Our college celebrates every occasion such as International Women's Day, National Mathematics Day, and National Environmental Day, National Teachers Day etc., in which all students participate and express their views. These occasions definitely help students to enhance their knowledge and understanding other people's perceptions

Our college has four (4) NSS units and all these units participate every Saturday zero (0) hour i.e. from 4-30 PM to 5-30 PM in cleanliness drives, in which students of these units clean our college premises and surrounding areas. These drives also help students to understand ground level realities. Every year each NSS unit conducts winter special camps in the villages selected nearby, for 7 days. In these camps every student of those units participates in cleanliness and awakening villagers about Govt. Policies and how to deal with disasters.

2.2 Catering to Student Diversity

2.2.1 The institution assesses the learning levels of the students and organises special Programmes for advanced learners and slow learners

Response:

College serves the needs of a diverse range of student groups, including those from rural and tribal areas, teachers face a greater task in meeting the needs of these students in terms of employability and overall development. Faculty mentoring/counseling of students takes place on a regular basis. According to the requirements students are grouped into sections. Every teacher is assigned one section.

Every academic year, an orientation session for newly admitted UG and PG students is held at the begining of the year. The individual departments administer a post-admission test, which is graded by the teachers, in order to gain a better understanding of the students' knowledge and skills, as well as to identify sluggish and advanced pupils. The knowledge gaps are discovered based on the results of the post-admission test and academic counseling. To fill these knowledge gaps, bridge courses are offered. A mentor oversees each student and keeps a close eye on them. Peer teaching, in which high performers assist low achievers in their field of study.

Solving greater difficulty level questions encourages high achievers' natural learning instincts. Slow learners are detected, questions are answered, tough sections are re-taught via remedial coaching, and retests are given. Advanced students are urged to enroll in Massive Online Open Courses (MOOCs) to broaden their educational horizons. In the library there is a separate reference section for students to study for competitive exams.

Students are guided in terms of academics and Career Guidance by the career guidance cell, Coaching for Entry into Services, Placement Cell, and so on. Talented students are selected, trained, and sent to intercollegiate and university-level competitions in their subjects of interest. The Language Lab allows students to listen to native English speakers' accents and improve their listening, speaking, and communication skills. Slow learners and advanced learners are given with audio-visual teaching modules in the media room to make the teaching-learning process more successful.

The responsible faculty attends to the numerous complaints raised by the pupils. In the Commerce Department, for example, the course is divided into three sections each year. Each section has 20 to 25 students in it. Every faculty member who teaches theory and practical classes to these sections is assigned to them as a mentor. Mentors are assigned to students in other UG courses in the same way. The teachers are familiar with the challenges, the students encounter.

in addition to full teachers we have the support of 34 temporary teachers to guide the students in completing the excerses given by the senior teachers

Response: 32.73

2.3 Teaching-Learning Process

2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Response:

The college follows the university's curriculum with certain modifications.

Apart from the traditional lecture approach and the use of a blackboard for teaching, the following methodology is used to make classroom teaching more engaging and inventive for students. All departments have retained participatory and interactive approaches such as group discussion, quizzes, debates, student seminars, student questioning, follow-up action for their questions, including students in field trips, and study projects. As a social obligation, our students participate in surveys, rallies, and the construction of human garland under the auspices of NSS units on different key occasions.

The Mathametics, Physics, Commerce, and Chemistry departments use problem-solving methods. The Economics department uses graph analysis and case studies. Students are encouraged to submit reports following field trips and surveys, which develop their observation, creativity, and writing skills.

The college's creative and best practice is peer learning of many disciplines for general awareness. In every subject, there will be certain general facts that should be known by everyone. The departments communicate this information with one another. Every month, on a specific day, students from one department share information with students from the other department in accordance with the schedule.

2.5 Evaluation Process and Reforms

2.5.1 Mechanism of internal assessment is transparent and robust in terms of frequency and mode

Response:

The Choice Based Credit System intends to provide students with a constant internal evaluation. Palamuru University examination format, which uses an 80:20 ratio in its exams.

All examinations are worth 80 points for the semester end examination and 20 points for internal assessment. In every semester, two internal examinations are held and the average of the two is taken. The process of evaluating internal examinations is manual, although it is reported to the university via internet mode, and the same is done for practical.

16-04-2022 06:57:02

Apart from this, each department administers a basic Diagnostic Test to detect and evaluate the students' abilities.

Students are also evaluated based on their achievement in the following ways:

- A) Student seminars assessing communication skills and subject preparation, including books recommended
- B) Group talks oral communication skills, presentation skills, and teamwork
- C) Assignments writing skills and subject knowledge evaluation
- D) Research Projects Observational skills, reading skills, writing skills, problem-solving abilities, creativity, logical thinking, and analytical skills are all assessed.
- E) Student Attendance Evaluation of students' punctuality, regularity, and self-discipline.

2.5.2 Mechanism to deal with internal/external examination related grievances is transparent, timebound and efficient

Response:

The College has an examination committee consists of convener and members constituted by the Principal. The convener and members are well acquainted with examination rules, regulations, time schedules and all the pre and post examination activities framed by the affiliating University. The examination branch circulate all the circulars issued by the university pertaining to the i) time schedules of payment of examination fee ii) exam time table iii) recounting, revaluation process. iv) Obtaining Xerox copy of the answer scripts.

Generally the students approach the examination branch of the college regarding various pre-examination grievance such as late payment of exam fee with fine, non receipt of hall ticket and the post examination grievances such as recounting, revaluation and obtaining the photo copy of the answer scripts.

The members of the examination branch with all their experience regarding the rules and regulations guide

the students and also explain the procedure to get the solution to their grievance. The University announces the time schedule, prescribed fee amount and procedure to be adopted for recounting, revaluation and for getting photo copy of the answer script. The examination branch of the college downloads all the relevant and required application forms from the university website and issues to the needy student then recollect from them along with the original DD and submit to the University along with consolidated list then the branch also follows up the remedial measures for the grievance submitted by the students.

2.6 Student Performance and Learning Outcomes

2.6.1 Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Response:

The course outcomes (COs), program outcomes (POs) and program specific outcomes(PSOs) of the programs offered by the institution are communicated to the teachers in the very beginning of the academic year in a form of manuals or handouts by the academic coordinator and the same will be communicated to the students by the concerned teachers in their classrooms. The course outcomes of the laboratory courses are also communicated to the teachers and the students in a form manuals or handouts.

The Cos are placed in the college website and it will be made available to all the stake holders such as teachers students and parents. The relevance of the Cos will be discussed by the faculty with the students and the feedback on Cos is obtained from the students.

In addition to the subject courses the Pos and PSOs such as TSKC, TASK, Yoga and personality development are undertaken by the institution to train them to improve their communication skills, life skills, critical thinking, self confidence and also to learn the ethics and moral values.

2.6.2 Attainment of programme outcomes and course outcomes are evaluated by the institution.

Page 34/90 16-04-2022 06:57:03

Response:

The process of measuring the attainment of the Cos, Pos and PSOs is different from each other. The assessments tools are generally used to measures the attainment of Cos are two types. They are direct method and indirect method

Direct Method: In this method the attainment of Cos is measured by observing the performance of the students in continuous internal evaluations (CIE) and semester end- examinations. In this method the performance is shown as a grade based on the total marks obtained by the student both in IE (20 Marks) and Semester exams (80 Marks).

Indirect Method: In this method the attainment is measured by collecting the data of students exit survey, alumni survey etc. whereas the attainment of Pos and PSOs can be measured by observing the performance of the students in various competitions such as elocution, debate, seminars and preparation of assignments, student study projects and performance in the programs such as TSKC and TASK.

3.2 Innovation Ecosystem

3.2.1 Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Response:

From the year 2016 Commissioner of Collegiate Education –Telangana State started a state wide innovative program JIGNASA – student study project. The program helps in the development of application ability. Our college has Jignasa committee with a co-ordinater and members constituted with senior faculty members. The co-ordinater guides the faculty to take up the research projects, and guide the students to prepare the Study projects. Each project is taken up by a team of 5 or 6 students. As a part of encouragement the CCE-TS declared a cash award of RS.25000/-andRs.18000/-to the1st and 2nd state level best STUDENTS STUDY PROJECTS respectively. In the academic year 2017-18 and 2018-19 the study projects prepared by our students has been stood at District level and selected to participate at state level Competitions. In year 2018-19 eight departments were selected for State Level Presentations.

The world is a BOOK and those who do not travel Read only one page.

Field trips play an important role in the gaining of knowledge in a direct way. Students can learn things directly from nature what they see. College management encourages the students to visit historical places, National institutions, zoological parks, and forest regions, etc.

3.4 Extension Activities

3.4.1 Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.

Response:

Extension activities are carried out in the neighbourhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years. Response: This educational institution is better appraised and applauded by the district authorities and higher authorities of the Collegiate Education for encouraging and allowing the students to participate in socio oriented awareness programmes initiated by the Government of Telangana for sensitizing the benefits of the Government Policies to the common public and rural people in availing the constitutional resources created democratically for the socio-economic advancement of the nation in all aspects of culture, tradition, integrity, linguistic, communal and regionalistic harmony being studded in the Indian philosophy of education. In upholding the serenity of that doctrine of educational philosophy, the students of this college have been actively taking part in creating useful awareness in the matters of community health programmes named: Yoga day, AIDS day, Swatch Bharath, Clean and Green, World Environment day, Ozone protection day, Haritha Haram - Plantation programme and other programmes. Apart from this the College has four NSS units. The four NSS programme officers conduct special camps every year. During

the special camps, the students would stay for a week in the specified villages. During their stay, they tried to create awareness to the villagers through songs, skits and stage enactions regarding the blind superstitions and beliefs. The villagers were also given knowledge about the benefits of education, gender equality and importance of cleanliness. Besides carrying out the curriculum aspects, the faculty of the college conducted several programmes related to co-curricular items such as the conducts of Science day, Mathematics day, World Environment day, Mother tongues day and Teacher's day.

Reflecting on the social issues - the students of this college tried their best in creating awareness to the rural sectors of Jogulamba Gadwal District and in the town of Gadwal on the voters enrolment, human rights, consumer rights and voter enrolment awareness programme. Since it is a Government Degree College many programmes are conducted and developed brainstorming in the minds of the students to study well, struggle positively and strive for the women fraternity creating clear awareness about the Gender equality in building of the nation. In that process, the programmes like women empowerment day, women health hygiene day, mother's day and Bathukamma festival in the campus. The M.A.L.D. Government Degree College, Gadwal has been marching on the path of educational platform elevating the human, ethical values and holistic development of the young students with a message to become a part of development by way of participating in all the societal programmes and thereby transform the society into a knowledgeable society by filling the gap between being human beings and being humane.

7.1.8 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 500 words).

Response:

Response:

Inclusiveness, integration, equity and harmony are the corner stones of the administrative and academic vision of MALD Govt. Degree College Gadwal . Inclusive environment is fostered through Positive affirmation policies, such as giving preference to minorities and differently abled students during the admission process. The evidence of successful implementation of this policy is seen in demographics of student diversity indicating growing ratio of girl students and socially disadvantaged students across five years. Regional diversity is also seen in the significant presence of students and teachers from other regions. Mentoring and personal counseling services ensure that the students receive socio psychological guidance apart from academic guidance for their holistic development. A well outlined, monitored and implemented ethical policy and prompt grievance redressal mechanism ensure Equality of opportunities, Human Dignity and Justice to all the students and staff for their individual development irrespective of the background, gender, cultural or socio economic identity and status. SC/ST/OBC/Minority Government Scholarships, apart from Psychological are dealt with on par academic and other career development counseling. Conducive environment is provided through collaborative learning like group discussions; equality in leadership opportunities for several academic, cultural, events, fests, where students come together to focus on their distinctive interests and talents, transcending class and caste barriers. Linguistic diversity is upheld as the college offers four second languages to choose from, including Sanskrit, Hindi, Arabic and Telugu, apart from offering English. The college is the melting pot of linguistic diversity as students from different regions, with different mother tongues come to be an integral part of the campus culture. Apart from the literary clubs which conduct literary competitions, the college organizes multilingual and multi-ethnic cultural programs on various occasions to kindle among the students a sense of mutual appreciation for each other's cultural distinctiveness and also assert cohesive national identity by integrating everyone with the rich linguistic and cultural diversity of the nation. Community events like Bathukamma, Dandiya and Christmas are celebrated with communal harmony. Food fest held by students celebrates the diverse food culture and tastes of India. The cultural programs on Freshers' Day, Annual

Day, etc, have the students perform various dance forms and cultural diversity. Mimes, skits, dramas on the theme of national integration, Gender sensitization, etc, during "Yuvatarangam" apart from civic engagement initiatives build up social solidarity where the students imbibe universal values of love.

7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens (within 500 words).

Response:

Response:

MALD Govt. Degree College Gadwal, envisioned to provide "distinctive environment of educational excellence with humane values and social responsibility" instills the constitutional values on which social cohesion and nation building firmly rest. Equality of opportunities, human dignity and justice is ensured to all the students and staff for their individual development irrespective of their background. Students are sensitized on citizenship roles and responsibilities through dynamic participation in civic engagement activities like voter awareness programs, assisting PWD voters, facilitating the electoral process etc. Constitutional values are imbibed through student participation in extracurricular programs. 7.1.11 Institution celebrates / organizes national and international commemorative days, events and festivals (within 500 words).

Response:

0.Response:

The two National Festivals-Independence Day and Republic Day- and the celebration of birth and death anniversaries of the great Indian personalities are celebrated in the college to inspire the students. The students and staff celebrate the birth and the death anniversaries of the national leaders and freedom fighters.

Every year, the institution organizes the National Festivals, the Independence Day, 15th August and the Republic Day,26th January with nationalistic fervour and patriotism.. All the staff members and students attend the programs without any deviation. The Head of the institution addresses the gathering by remembering the great contribution and sacrifices made by the freedom fighters and the importance and the greatness of the Indian Constitution respectively.

The celebration of these festivals on the campus could certainly bring about awareness and acknowledgement of the inspiring ideals of the Indian Independent Movement, the strength of mass movement, national identity, and instil amongst the young adults - the sense of pride and duty and catalyse them towards the national call.

The college celebrates the birth and the death anniversaries of the national leaders and freedom fighters. For instance, the birthday of Mahatma Gandhi,2nd October, marks the International Day of Non-violence and is celebrated in a grand manner. Similarly, 'Gandhiji Walk' is conducted in the town, raising slogansabout non-violence, peace and communal harmony.

The NSS Units celebrate the birth day of Swami Vivekananda, 12th january, as the National Youth Day and Vivekananda's inspiring words and his efforts in spreading the greatness of the India's tradition and culture around the world are discussed.

Sardar Vallabh Bhai Patel ,31st October, National Unity Day is celebrated in the college.On this day, the college remembers the efforts made by Patel in unifying the post-Independent India and the need for unity and integrity of the nation in the present-day situation.

Dr. Sarvepalli Radha Krishnans' birth anniversary is celebrated in the college on 5th September every year as the Teachers' Day. The teachers are honoured for their contribution by the students.

The birth anniversaries of Mahatma Jyotirao Govindarao Phule .11th April, and Savitribhai Phule,3rd January, are celebrated and their services in spreading girls' education in the pre-Independent India are lauded.

The birth anniversary of Dr. B.R. Ambedkar,14th April, is celebrated on the campus every year and his contribution in drafting the great Indian Constitution is lauded by the teachers and students. The birth anniversary of Prof. Jayashankar, who played a crucial role in the formation of the State of Telangana, is celebrated on the campus every year on 6th August.

the birth anniversary of Chakali Ilamma is celebrated in the college. theses signifies that even ordinary eople can come forward to fight for their right.

The celebrations areorganized to make the students recollect the contribution of the great Indian personalities and how they strove for the emancipation of the people from slavery through their service, sacrifice, and contribution to the Indian society.

7.2 Best Practices

7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Response:

BEST PRACTICE-1

Title of the Practice: Wrappers To Riches

The Objectives of the Practice: As English has become lingua franca in many countries in the world, especially in multi lingual countries like India. This situation demands on the part of advertisers and manufactures to promote their products in every corner of the world by choosing English as medium of their advertisements. The advertisements are mainly printed on the wrappers of the products. The practice has been implemented in the institution with the following objectives.

- To establish the fact that English language is available everywhere, particularly outside of the classroom.
- To promote the use of wrappers used in the advertisements as a realia to learn English language.
- To encourage learners of English to pay attention towards the language of wrappers to learn English
- To include the wrappers of different products in daily language classroom transaction for teaching and learning English
- To motivate the teachers and learners to gain mastery over the four English language skills: listening, speaking, reading and writing through constant following of advertisements.
- To use Wrappers of household articles up to their potential in language classrooms and even in outside for learning English language.
- To make use of the wrappers as the cheapest means of teaching and learning English by the teachers and learners.

The context: The present day learners are tech savvy and are living the technology driven age. Teaching them English is a challenging task. Especially, holding their attention to what is discussed in the classroom is much more difficult endeavor. It is in this context, the Department of English has started the practice of collecting and using the wrappers of household article such as soaps, salts, chocolates, pens, etc., for teaching and learning English vocabulary. The use of wrappers of household articles will focus on the benefits of advertisement in learning English language in classrooms and in real life. After a thorough analysis of the data, it is found that wrppaers are a great source of English language. They are handy in improving English vocabulary (word power), phrases, clauses and sentences. Though English textbooks are prepared after considering all the approaches and methodologies underlying language learning However wrappers are much more interesting and appealing to the learners. And hence they can be exploited further to promote learning taking place in the language classroom.

The Practice and its Uniqueness: The novel idea got its origin in the attractiveness of the vivid and colorful wrappers used in packaging industry by spending huge money in producing them. With a much closer look at the otherwise waste litter that every busy costumer wants to throw away opens up an opportunity to learn English. Almost all wrappers used to pack the daily house articles are printed with the details mainly in English and are readily available material for imparting English language skills. And hence the institution has adopted the unique practice. Language plays an important role in the preparation of wrappers for product advertisement. The use of catchy, interesting and relevant vocabulary, phrases, clauses, idioms and sentences enhances the chances of the ad to reach the target group. Problems Encountered / Resources required: The wrappers are everywhere and easily accessible. Moreover they are available always. There is absolutely no problem in collecting them. The only resource that is needed to use them is interest and resourcefulness in using them in an appropriate manner. Hence no cost but valuable in learning English. In the modern times, English has emerged as a dominant medium of many advertisements. In this context, one can learn a lot of English language through constant and conscious exposures to the wrappers used in packaging industry. Almost every wrapper contains a catchy motto/slogan/tagline in English. These mottos are a great source of English language learning. The students and teachers need to be aware of the fact that the English language is available not only in the classroom but also in real life situations outside the classroom. Hence the students are encouraged to exploit the wrappers to their fullest manner to learn English.

BEST PRACTICE-2

Department of Public Administration Best Practice

Democratic and Citizenry Values

(Student Ambassadors)

The central and state governments have been introducing a number of development and welfare schemes for the progress of the people since independence of the country. It is with great pleasure that we launch a program with the encouragement of Principal Dr.Abdul Ansar Garu and other faculty members at M.A.L.D Degree College, Gadwal.

In this program the students choose one of the Government schemes, the students try to know whether the beneficiaries are aware of the schemes. They identify the problems in the scheme and submit suggestions. In addition to the school students should be made aware of the Government Schemes.

The degree students participating in the programme will not only gain an understanding of Government Policies but also acquire research knowledge, community responsibility and patriotic leadership qualities. The program can be divided into stages.

- 1. Identification of Government Schemes or Policies and selection of students
- 2. Field observation.
- 1) Uses and 2) Problems in the scheme 3) Instructions given to the Government 4) To create awareness among school students.

Objectives: The practice is being implemented in order to achieve the following

Objectives:

- 1. To inculcate Participatory Democratic, Citizenry values among the young minds.
- 2. To create awareness about Constitution and its core values such as equality, liberty, justice, rights and duties.
- 3. To educate about voter enrollment and electoral participation.
- 4. To imbibe Public Policy making processes among the students.
- 5. To create awareness about the functioning of democratic institutions such as Parliament and other legislative bodies.

Context: India is the largest democratic country in the world. Democracy is considered as the best form of the government in modern times. The success of democracy depends on the active participation of the citizens. The vigilance of the citizens makes the democratic governments to formulate the policies which are useful for the betterment of the country as well as the people. In this context the departments of Political Science & Public Administration have undertaken the responsibility to create awareness about the importance of the constitution, democratic institutions, and the active participation of the people in the policy making and implementation process.

Practice: The departments are organizing voter enrollment campaign in the campus and nearby community. They initiate actions to motivate the voters to utilize their right to franchise in fair manner and campaign through rallies and public meetings. They get involved in creating awareness about the facilities provided by the electoral authorities to accessible to all. The student visit the State Legislative Assembly for practical knowledge and conduct mock polling, organize mock Assembly/Parliament.

Evidence of success: Here are many visible and concrete evidences of this practice:

- 1. The voter enrollment is improved both in campus and community.
- 2. Voting percentage improved.
- 3. Students' participation in the mock polling and mock parliament is improved.

Resources Required: While the practice is being implemented the following problems have been faced

Page 78/90 16-04-2022 06:57:21

with:

- 1. some times less response from the people.
- 2. Less response to cost their vote
- 3. Money, muscle, caste, and other corrupted practices
- 4. Inadequate time
- 5. Support from officials, targeted community, media and other civil society organizations.

The GDC Gadwal is a public funded institution and is always in the forefront in propagating the democratic principles. Every graduate of the institution has to open a Voter Enrollment Center in order to encourage the students to participate in all activities which are helpful to learn the democratic ideas and ideal.

7.3 Institutional Distinctiveness

7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

Response:

Response:

MALD Government Degree & PG College - Gadwal was established in 1960 to bring out the innate potential of the rural poor village students of Gadwal, Jogulamba Gadwal District. For more than four and half a decades this college was affiliated to Osmania University, Hyderabad. from the year 2008 the college has been affiliated to Palamuru University, Mahabubnagar.

This college was accredited by NAAC with "B" Grade in the year 2006 in the 1st Cycle of NAAC and it was reaccredited with "B" in the 2nd Cycle in the year 2015. Now the institution is preparing for the 3rd Cycle of NAAC. The college has well defined Vision, Mission and Core Values which reflect the unique characters of the Institution, which are communicated to all its stakeholders.

VISION: Quality based and value-based education to the rural area and are economically poor students.

The Performance of the College distinctive to its vision, priority and thrust:

The other remarkable distinctiveness of this institution is to provide higher education to the rural students

on par with the urban students. By making continuous efforts, the students develop curiosity to study Higher Education. Because of this distinctiveness, many of the students have been getting the benefit of continuing their studies and settling in their lives in the comfortable positions.

Training in Democratic and Citizenry Values:

The institution is special in organizing extension and outreach programs. The extension activities

organized by the four units of the National Service Scheme (NSS) provide the students the hands-on experience in the societal issues and problems and equip them with the service motto and transform them into potential leaders, which is unique on its own thereby conducting programs such mock poll, mock parliament, voter enrolment etc. The Winter Special Camps and the Regular Activities of the college, NSS units mainly focus on training the adult youth and the illiterate and semi-literate people of the adopted villages in democratic values.

Special Curricular and Co-curricular Activities:

The positive aspect of this educational institution is that it has been trying rigorously and passionately to provide quality education to the students. Quality education that includes academic excellence and soundness in human values. The institution allows all the students to acquire the modern skills and soft skills to the global employment scenario. To strengthen the students in job required skills and computer skills, all the students of all streams irrespective of B.A., B.Com., and B.Sc. are trained, with the coordination of TSKC, Computer labs and the department of English. The *Yuvatharangam*, the flagship programme initiated by the Collegiate Education, Telangana State acts as a platform for the students to showcase their special skills and abilities in sports, games and literary and cultural activities. The *Jignasa*-Student Study Projects, another flagship programme trains the students in student projects and provides exposure to them in the research-related activities. More importantly, well-qualified, experienced, committed teaching and non-teaching staff is an asset to the college.

5. CONCLUSION

Additional Information:

The college is situated in the heart of the town and is very near to bus-stand and railway station. The students from Gadwal town and the surrounding villages with the range of 40 km opt this college for their higher education. This college is known for its standards and the infrastructure facilities. It has 6 blocks with 54 rooms which are used for class rooms , administration, office, labs , library etc . As the college is in the fort , construction of new class rooms will be done within the limits. Recently with the RUSA funds six classrooms and two toilet blocks are constructed.

Students belong to BC sc st minority are getting scholarships as per the government norms. Most of the students taking admissions in the college are first generation graduates. Admission s are done through DOST. Meritorious students prefer to go to cities. College has well furnished infrastructure like digital boards, OHPs. The college has 55 sanctioned teaching faculty, only a handful are regular, rest of the staff members are contract/temporary. The college tries to get regular faculty with the support from the local MLA, Sri B Krishna Mohan Reddy garu, an alumni of this college.

The college is affiliated to Palamuru University Mahabubnagar..Curricular activities are scrupulously followed being affiliated and there is little scope to add latest topics or delete the outdated from the syllabus.

For all-round development of the students the college with the support of TSKC, NSS, RRC, Consumer Club etc provides various skills like employability and communication.

Faculty members have the scope to enrich their academic progress through the research activities with the support from the UGC sponsored MRPs. Faculty members Involve in the students study projects prepared for JIGNASA.

The college constitutes various committees at the commencement of the academic year to undertake the academic and the administrative progress.

Review meetings are conducted at the department level and institutional level to review the progress of teaching-learning process.

The awareness and sensitisation programs are conducted by the college to promote the environmental and social consciousness in the students.

Concluding Remarks:

Gadwal town with its fort had a long historical significance in the Nizam province. The successors of the Gadwal Sansthan are staying in Hyderabad at present and visit frequently. The fort was constructed with mud, one of the rarest forts in the country. Gadwal region is also known as Nadigadda, the land between two rivers the Krishna and the Thungabadhra. This region is adjacent to Raichur district of Karnataka state and Kurnool district of Andhra Pradesh. The local people speak Telugu, Urdu and Kannada.

M.A.L. D Arts & Science College, Gadwal was establised in the year 1960, to cater the needs of students of

this locality, under the private management , with the intrest of some local elite . This is the first Degree college in the erstwhile Mahabubnagar district. . it was taken over by the then Government of AP in the year 1965. Now it blooms into a Government College offering 9 UG courses in Telugu and English media. The college has the student strength of 2400.

The successful journey of the institution celebrated the golden jublee, and achieved many milestones, and has cherished moments. The institution got 2f and 12b recognition of UGC in the year 1983 and 1991 respectively. In the first cycle of accreditation by the NAAC, the institution was accredited with B grade in the year 2006 and in the second cycle B grade with 2.55 CGPA in the year 2015.

The college has 5 acres and 10 guntas of campus . The present building was constructed by the efforts of the local elite who not only donated Rs 67.5 lakhs but also mobilized the funds from MPLADS. The new six additional classrooms and two blocks of tiolets have been constructed recently with the RUSA 2.0 funds.
