

GOVERNMENT DEGREE COLLEGE, MADHIRA, KHAMMAM DISTRICT

IDENTIFICATION OF FLORA OF GOVT. DEGREE COLLEGE, MADHIRA

OBJECTIVES: To create awareness among the students about the flora on the campus.

CONTEXT: As the campus have a wide variety of "Flora", it is believed that students should be motivated to have a basic knowledge about the various botanical names / Plants of the "Flora" and their uses, through which the students feel responsible to protect the Bio-Diversity on the campus.

EVIDENCE OF SUCESS

Though the students belong to only BA& B.Com courses (Since there is no BSC. Course in the college), They have started evincing interest in the activity, and gather information through various online modes and web based activity.
