Name of the Lecturer: C G Lakshmi Prasad, Asst. Professor of English
Details of Digital Teaching Methods

Introduction:

Digital Teaching has become essential during CORONA ONLINE classes. The department has acquired necessary skills and the staff has equipped themselves personally with all the equipment necessary for shifting from traditional class room to digital class room. The department has also prepared innumerable PPTs, Videos, Material in PDFs, Text Book scans to conduct the online classes. Even after the resumption of traditional classes, with the assistance of Digital class room, the same PPTs, Videos, Material in PDFs, Test Book scans are extensively, almost every class, used in the class room to make the class interesting.

Digital Teaching Equipment and Conduction of online classes:

The department of English has only one lecturer i.e. me: C G Lakshmi Prasad. I have procured a personal desktop with webcam and microphone. Conducted classes through Zoom app successfully with the help of websites prepared semester wise with all the required material. Even the whole text book is scanned chapter wise as the students were not able to purchase the text book during the pandemic. It has not only made the online class lively, but also easy for the students as well as the lecturer.

The list of the websites prepared for the academic year 2020-21:
