CCETS, Dated 18-02-2021.

@@@@

The Commissionerate of Collegiate Education, Telangana State has directed all the Principals of Government Degree Colleges to establish an "Entrepreneurship Development Cell (EDC)" for promoting Entrepreneurship Education among the students. The primary objective of this EDC is to inspire and inculcate a culture of innovation and encourage budding entrepreneurs. This EDC will create a platform for students and provide awareness of Entrepreneurship Development, Business Ideation, Innovation, Incubation and Implementation.

By providing skill development and entrepreneurial development programs, the students of GDCs can confidently start their own ventures either in the form of start-ups or small commercial entities. Ultimately, they can become job providers rather than job seekers.

As per the guidelines issued by the CCE, EDC of this college is constituted with the following members.

1	Sri. C. G. Lakshmi Prasad	Principal	Chairman
2	Sri. M. Mallikarjun	Asst. Prof. of Economics	Coordinator
3	Sri. V. Sreenivasulu	C.F. in Commerce	Faculty Member
4	Sri. P. Chakrapani Reddy	C.F. in Chemistry	Faculty Member
5	Kum. Shirisha	B.A., II Year	Student Member
6	Kum. Shilpa	B. Com II Year	Student Member
7	Sri. Rakesh	B. Sc. (BZC), III Year	Student Member
8	Sri. Venkatesh B	B.Sc. (MPCS), II Year	Student Member

The specific objectives of this EDC shall be as follows.

- a) To Impart Entrepreneurial Education with Guidance, Mentorship and Motivation to the students of GDCs.
- b) Organizing series of programs like workshops, seminars, invited talks from successful entrepreneurs.
- c) To promote the culture of self-reliant and self-dependency among the students rather than depending on external employment.
- d) To have a wide network in the form of collaborations with established agencies to help and guide the students in promoting entrepreneurial skills.
- e) Promoting six core values of entrepreneurship among the students i.e., Excellence, Leadership, Integrity, Innovation, Collaboration and Economic Value Creation.
- f) Organizing regular Summer Camps for youth to instill the 'spirit of enterprise' at a young age so as to inspire them to select an independent, innovative career option and excel in it.
- g) Promotion of Micro & Agri based enterprises in rural and semi-urban areas to channelize unemployed youths towards self-employment.
- h) Promoting Startups under Startups/Innovation Scheme of the Government of Telangana.

The EDC should conduct various activities like awareness programs, invited talks, motivational lectures, by involving practicing entrepreneurs periodically viz. at least two programmes per month. Consequently, these initiatives will boost the courage and knowledge of the students and help them in creating one's own employment through promotion of small enterprises in their own localities.

The committee shall function as per the guidelines issued by the proceedings referred above and shall record all its activities in a register and send the reports of its activities from time to time to the office of CCE.
