## INTRODUCTION

M.A.L.D.Govt.Arts & Science College was established in the year 1960 under the private management (Sri.D.K.Satya Reddy, President and Sri Pagapulla Reddy Secretary)and it was taken overby Govt. of A.P in the year 1965 .it was started to provide the educational needs of the student in and surrounding villages of gadwal. The department was setup in the Nagnar Quana (wide bungalow) in the year 1960 the place where the scholars of different places were honoured. Department of the Library was established along with inception of the college in 1960. The department is ever grateful to the Maharaja Samsthan, Sri Krishna Ram who provided the rare Literature of his time to the department. The department has been protecting literature even today,

**It is said that many number of intellectuals like Administrators, Doctors, Engineers, Advocates, P rofessors, Lecturers, Teachers and number of Businessmen borrowed books from this library. Since then elite of the town, literary personalities and Administrators of the district are frequent visitors of the library. The present Ambassador Guru Raja Rao, IFS and Late P.krishnaiah, las made use of this library,**

## **LIBRARY**

#### **Brief Note on the department:**

The library of the College has a good collection of 23,701 books some of which are 100 years old. It has a rich treasure of more than 100-year-old books in English and Telugu literature which needs both appreciation and mention. It also subscribes to 25 journals in various fields AND 60 MAGAZINES. It has a well maintained and furnished reference SECTION and reading room for the students and staff members. The bibliographic details of the library books have been computerized to the extent of 100% recently. Reprography facility along with net connectivity for 3 computers is also available in the library for the students. A LCD projector is provided to web cast the vyas channel programmes and other online and off line resources. Inflibnet N-list content has been subscribed since 2010.

## **Library Automation**

**The Commissionerate of Collegiate Education has provided SOUL Software along with a computer, Printer and connectivity for the automation of Library housekeeping activities in the year 2006.**

**The Bibliographic details of all the documents of library are entered on the platform of SOUL software and the OPAC (Online Public Access Catalogue) enables the students and staff to have multiple search strategy for a required document. The number of total volumes entered in database is 20,000 and the number of unique titles is 10,000**
