This Collaboration is effective as of 08.07.2018 to establish an affiliation by and between

GOVERNMENT DEGREE COLLEGE, MANCHERIAL

established in the year 1967, expanded in 23 acres of land holding the future of many aspirants, situated near river Godavari with a peaceful and serene environment, an institution of higher education catering mainly to the educational aspirations of economically and socially struggling sections of the society, herein referred to as GDCM, of the FIRST PART,

And

LIONS CLUB OF MANCHERIAL, DIST: MANCHERIAL

Established in the year _____. It is the top most social work organization in the District. As the world knows, the Lions Club has the international reputation. The Mancherial branch of Lions Club conducts various programmes such as Blood Donation Camp, helping the poor with basic facilities, and supporting the poor students in their education etc.

PREAMBLE:

The Department of Botany of Government Degree College, Mancherial strives to provide theoretical and practical knowledge about plants to the students who are studying in this college. They will get the scientific and objective understanding about the plants from this department. Whereas, Lions Club of Mancherial works on Social Welfare issues such as Blood Donation, Helping the poor, Supporting the students etc.

NOW THEREFORE, GDC Mancherial and Lions Club of Mancherial have decided to enter into this Collaborative activity which defines the framework for the cooperation of the two entities set out in the following sections.

ARTICLE 1: OBJECT

Both institutions agree to develop the following collaborative activities in the area of mutual interest, on a basis of equality and reciprocity.

PRINCIPAL
Govt. Degree & P.G. College
Mancherial
Dist. Mancherial-504208

The two institutions shall seek to promote:

I. KNOWLEDGE EXCHANGE:

- i. The exchange of knowledge to the mutual benefit of both the institutions,
- ii. Collaboration in consultancy in the field of mutual interest,
- iii. The exchange of academic materials and publications,
- iv. Conducting lectures
- v. Conducting Blood Donation and other social service activities.

A specific plan will be worked out for each activity; setting forth detailed arrangements for collaboration will be agreed. Terms and conditions for each visit shall be worked out between the institutions. Any activity taken up shall be on the basis of mutual consent only.

II OTHER AREAS:

- i. To exchange information on research and educational programs.
- ii. To jointly organize seminars, conferences, or workshops on topics of mutual interest
- iii. To propose and engage jointly in research or training programs sponsored by funding agencies
- iv. To use laboratory facilities in specific cases for a limited period.

GDCM AND **Lions Club of Mancheri** agree that detailed terms and conditions that guide each activity identified above will be determined separately and agreed upon by the two institutions. These terms shall include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation.

ARTICLE 2: COORDINATION

Each institution shall appoint one member of its teaching/research faculty to coordinate the program on its behalf. Further, a coordination committee consisting of a programme coordinator from the side of GDCM, and a programme coordinator from the side of **Lions Club of Mancheri**, will periodically review and identify ways to strengthen cooperation between the two institutions.

ARTICLE 3: CONFIDENTIAL INFORMATION

The institutions are not obligated to share any kind of confidential information
