M.A.L.D. Govt. Degree College, Gadwal
Jogulamba Gadwal Dist., Telangana State

A Brief History of the Institution

Maharani Adi Lakshmi Devamma Govt. Degree College, is situated in Gadwal Town in Jogulamba Gadwal District which is on the Banks of River Krishna. The place is also commonly called as Nadigadda in Telugu vernacular which means Doab ie the land between two rivers namely Krishna & Tungabhadra. Gadwal was one of the Samsthans ruled by the Royal Family of His Highness Sri Sri Pedda Soma Bhupala familiarly known as Nalla Somanadri, with Pudur as its Capital. Later Sri Pedda Soma Bhupala constructed the present Historical Fort in Gadwal between 1698 and 1705. In 1705, after Completion of this Fort he made this as his Royal Palace and Administrative Centre. The Fort extends over an area of 10 Kms, surrounded by Massive Fort Structure. The last Queen to rule the Dynasty was Her Highness Maharani Adi Lakshmi Devamma (1924-1948). After India got Independence the Queen offered to hand over the Samsthan to the Government of India. The rulers of the Dynasty gave utmost regard to Scholars and hence, the name " Vidvath Gadwal ".

The Present College started functioning in this very Historical Fort from 1960's with efforts of Sri Paga Pulla Reddy & Sri. D.K.Sathya Reddy. Later in 1964 it was handed over to the Government. Sri Raja Ram Bhupal the Grandson of the Last Queen Her Highness Maharani Adi Lakshmi Devamma handed over the complete Royal Palce Building in the Fort to the Government for the purpose of Educational Institution. Hence, this Institution was established and named in the Honour of his Grandmother, Her Highness as Maharani Adi Lakshmi Devamma Government Degree College. Untill 1996 the College was running both Intermediate and Under Graduate Courses under one administration. From 1997 the Intermediate Courses have been bifurcated under the Administration of Board of Intermediate as Government Junior College within the same Fort Premises. The Under Graduate Courses were run under the Affiliation of Osmania University, Hyderabad till 2009 under the the Administration of Commissioner of Collegiate Education. From 2010 onwards the College is functioning under the Affiliation of Palamuru University, Jogulamba Gadwal.

Department of Physical Education

The Department of Physical Education was functioning from the very inception of the College with Sri B.Hanumntha Rao a very well Renowned Physical Educationist as its First Physical Director. Later a number of Physical Educational Personnel have offered their services for the upliftment of the Institution and Promotion of Sports & Games in the College and Society at Large. The Department was functioning under Inter University Sports Control Board, under Osmania University until 2011-2012 and later under Palamuru University, Jogulamba Gadwal.

Physical Education is an integral part of Education which aims at the wholesome Development of the Personality. By participating in Physical Activities, Games & Sports, Yoga and etc one becomes Fit and Healthy. Students who take part in Sports & Games activities develop Social Responsibility, Team Spirit and imbibe the qualities of Leadership. They become responsible citizens in the society.

The Department takes up the responsibility of Creating and Promoting Awareness of Health, Fitness, Sports and Games Culture among the student community and Society at Large by encouraging mass participation. In this process the talented students in each Sporting Event are tapped and further Trained as per the Individual Talent and interest to represent the College Teams in Various Extramural Competitions.

The students are encouraged to participate in all the activities of the Physical Education. To encourage mass participation of the students Intramural Competitions in various Games & Sports events are conducted every year and the Winners & Runners are given away Prizes and Merit Certificates on the Republic Day Function. The Students selected for the University Teams are given cash awards of Rs.500.00 for each event.

Department of Physical Education Our Mission & Vision

1. To Encourage Mass Participation in Games & Sports to Attain

- Excellence in the Field of Sports & Games.
- Fitness (Physical & Mental).
- Healthy Life.
- Recreation.
- Whole sum Development of the Personality.

2. To Produce Good Citizens to the Nation.

3. To Produce Good Leaders to the Nation.

Department of Physical Education

STRENGTHS:

- Maximum utilization of the limited and available resources.
- Use of computer and Internet facility for administrative work.
- Providing information to the College students by use of Internet services regarding Games & Sports.
- Students make use of Indoor facilities like Caroms, Chess, and Table Tennis in the department of Physical Education in the Forenoon Session and leisure time.
- The Department has well equipped Gym with fitness equipment free for all students from 6 am to 8 am in the morning session and 4:30 pm to 6:30 pm in the evening.
- The Department makes use of Voluntary service of Sri. M.B.Pasha as a Fitness Trainer.
- The Department also makes use of voluntary service of Senior National Kabaddi Players Sri. K Narasimha, Chandu & Ganesh for coaching the Kabaddi Team.
- The Department also makes use of voluntary services of professional players available in Gadwal namely, B .S.Kesav (Kabaddi), B.S.Anand (Physical Director), B.Venkata Ramudu (Foot Ball) Srinivas (Cricket).
- The Department also makes use of voluntary services of Retired Physical Directors in Gadwal, Sri K.Bala Raj, A.J.Devendranath and Prabhakar in preparing the College teams.

WEAKNESSES :

- Lack of Ground for laying out 400 mts Standard Track for carrying out Complete Athletic Events.
- Insufficient play ground for improving the infrastructure facilities in the Games and Sports.
- There is only one post of Physical Director for entire student strength of 2200.
- There is no supporting staff for laying out of courts and maintenance of play grounds.
- Since participation in Physical education, Games and sports activities is optional there is lack of seriousness among the students.
- Nutrition and Diet play a major role in performance in Games and Sports activities. Almost all the students come from the rural back ground

and Lower Income group and hence causes a hindrance in Optimum Performance in Sports.

OPPORTUNITIES:

- The Department plays a major role in providing the available infrastructure free of cost to the students.
- The students who show interest in activities of Physical Education inclusive of Games and sports are given special guidance.
- The students who are good in sports and games are encouraged to take up professional courses in Physical Education like U.G.D.P.Ed and B.P.Ed.
- The students who have good physique and physical fitness are encouraged to take up career in department of Home , Prohibition & excise , railways , CSIF , BSF , Soldier in Defense services.
- Training in Physical events to be qualified are also given to the students.
- The College being affiliated to Palamuru University sends players in various games and Sports to take part in University Team Selections.

CONSTRAINTS :

- The important factor in hindrance of participation in Games and Sports activities is that most of them come from surrounding places in and around Gadwal by buses and so are in a hurry to go back to their homes.
- Most of the students take part in the Games and Sports only for time pass and recreational purpose. Hence the process of preparation of teams is rather more difficult in most of the Games.
- For better performance in Games and Sports the students need a very good Balanced diet which they can neither afford nor be provided by the College for training.
- The College timings being 10.00 pm to 4 .30 pm hinders the students in taking part in games and sports with real Competitive spirit.
- The College has very little scope for extension of games and sports activities as there is no land available for further expansion of play grounds.
- The Sports culture at the Junior College Level is almost nil due to lack of deployment of Physical education Staff in Junior Colleges, who form the major source of admissions to our College.

- The age and Physiological growth of women coming from rural areas is also inhibiting them from taking part in Games and Sports.

Future Plans of the Department :

- The College has made a proposal for construction of separate Indoor stadium for Shuttle Badminton and Table Tennis.
- The College also sent proposals for sanction of UGC Funds for construction of cement Basket Ball court.
- The College has made request proposals to the Vice-Chancellor for conduct of separate Intercollegiate Tournaments for Colleges under Palamuru University.
