DEPARTMENT PROFILE

HISTORY OF THE DEPARTMENT

The Department Of Political Science Has Been Functioning Since The Inception Of The College In The Year2018.The Department Was Given Affiliation By The Palamuru University In The Same Academic Year Along With The B.A., B.Com. Courses. There Are Only One Post At The Inception Of The Department.

The Department Has Been Sharing The Responsibility Along With The Other Department In Providing The Quality Education To The Economically And Socially Backward Girls And Boys Who Join In The College And Also Striving Hard To Transform Them Into A Completely Developed Education Grills and boys who can face the present age challenges.

Vision:

Political Science deals with theory and practice of politics. As well as analysis of our political systems, behavior and culture both the ruler and ruled should have the knowledge of political science.

Mission:

The Department Believes that "students of today, are the citizen of tomorrow". Hence our main objective is to train the students in terms of political theories constitutional rights privileges and analytical thinking, so that they should have the knowledge of the rights and duties. These fully trained students can educate the individuals about the ideals of patriotism, toleration, sacrifice and national integration ultimately built a society which speaks out the things which are injustice.

Highlights of the Department:

- Active involvement in Cultural and Literary programmes. Department has taken initiative to organize literary and cultural competitions at the college and district level.
- Conducting Quiz programs to students.
- Conducts Remedial classes to the slow learners and bridge course for the non arts background students.
- Teaching Additional topics in the syllabus
- Providing training to improve the Personality development skills of students.
- Providing guidance to students for P.G. Entrance.
- Guidance to students who are appearing for TSPSC, UPSC, and other competitive examinations.

- Creating Aids awareness, voting awareness, environmental clean and green programs.
- Many of the students were able to secure seats in post graduation in different universities. Our students are able to find better employment opportunities soon after completion of Graduation and P.G. Courses.

1.	A KRISHNAIAH	M.A., B.Ed. SET	4 yrs

CURRICULUM VITAE

1. Name : A KRISHNAIAH
2. Designation : FULL TIME LECTURER
3. Date of Birth : 10/04/1992
4. Qualification : M.A. B. Ed, SET
5. Date of entry into service : 15-11-2021
6. Research Activity : NA

CRITERIA WISE INPUTS

CRITERIA-I: CURRICULAR ASPECTS

Curriculum Design

Additional Curriculum:

However, we have added certain other chapters on our own as additional curriculum to enrich the knowledge of the students. Wherever and whenever it is needed, we are supplementing the syllabus with additional topics.

Curricular Activities / Aspects

- **Synopsis:**

  The Department is following synopsis and regularly maintaining the record for synopsis. It is containing the main points of the lesson and chapter. While teaching the lesson we follow synopsis.

- **Teaching Diary:**

  The CCE is supplying teaching diaries for every academic year to every Department. The Department is maintaining teaching diary about the lesson and also giving information about using additional inputs to explain the lesson. The teaching diary is verified by the academic co-coordinator and Principal.

- **Additional Inputs:**

Paper Clippings: The Teacher and students collect the subject based paper clippings and discuss that topic in the classroom. If it is very important we put it in the paper clipping folders.

CRITERIA-II TEACHING, LEARNING AND EVALUATION

TEACHING METHODS & PRACTICES:

1. The faculty members prepare Academic plans at the beginning of every academic year. Academic records such as Teaching Diary and Teaching notes with synopsis of the Lessons and regularly maintained.
2. Whenever and wherever necessary, the traditional method of lecturing is supplemented by study supervision and Team teaching.
3. Interacting with students while teaching is given preference. As education should always promote thinking among the students they are given opportunity to express ideas and opinions on the topics in the syllabus and also on general topics. Students are motivated to read articles in News Papers and discuss about the issues focused in the class room.
4. Essay writing and elocution competitions are conducted for the students on social and political aspects which enables to frame ideas and express them

Students learn the subject basically from classroom lectures. Along with this faculty also uses the projectors for delivering lectures through power point presentations. Students are guided to participate in collection of paper clippings and photos on the subject and in preparation of charts. Students are encouraged to learn to use internet as a source of information and advised to habituate reading of e-texts for their subject improvement.

Group projects are assigned to the students so that they can share their knowledge with the academically backward students. Assignments and monthly tests are conducted to each class to measure the performance of the students in the subject. Extra classes were conducted to all failed students to prepare the students to write backlog examinations. Department organize many curricular and co curricular activities.

- Learning
  - Quiz: Quiz Programs are also conducted to all students of B.A.Political Science to sharpen the memory of the students.

Group Discussions: The Department of Political Science conduct group discussions on various topics for all semester students of Political Science as it creates interest among them to update their knowledge and also develop speaking skills.

Students are provided with previous year's examination question papers to understand the pattern of questions in the final exams. Along with this they are also provided the model questions for various competitive exams such as P.G. entrance UPSC, Group-I and Group-II etc.

The Department of Political Science has taken up the responsibility of conducting counseling and career guidance classes to prepare the students to appear for Public Service Commission examinations.

- Extension Lectures:
  - Sri C. Mallikarjun took lecture on topic of "International Relations"

- G Rammohan took lecture on topic of "Plato Ideal State "
- A Kurumurthy took lecture on topic "Non aligned movement"

Class Seminars

Class seminars are conducted where in academically advanced learners are encouraged to teach the topics for the benefit of all the students of the class. Students are given choice to select the topic of their interest from the syllabus and also a general topic.
