GDCWHA 8-3-21

Atya Kapley is presenting

3:05 PM 8/3/2021

Challenges For Women: Asia Pacific

- Lower access of women to education
- Social norms that prioritize boys over girl's education
- Disrupter equal access to education discouraging more girls to pursue science
- There are also traditional and structural reasons for the decrease in girls' enrollment into higher education levels
- Conservative traditional attitudes tend to limit opportunities for young women to travel abroad
