## Training on Arithmetic and Reasoning

TSKC of Tara government College Sangareddy (A) conducted a class on Arithmetic and reasoning. Since the college has already reached an MoU with TASK, it allotted a trainer in Arithmetic and Reasoning to Tara GC Sangareddy (A) on 18 and 19 April 2022.

### *Objectives:*

- To teach selected students Arithmetic and Reasoning.
- To make students learn Arithmetic and Reasoning and help them use them in their future competitive examinations.
- To train students in A and R.

A two-day training on A and R was conducted for selected students on 18 and 19 April 2022. Sri Mahesh, the trainer took classes on various areas for the selected students. The topics include all areas right from Averages to boats and streams.
