

TARA GOVERNMENT COLLEGE, SANGAREDDY
DEPARTMENT OF ZOOLOGY
“Programme on Careers in Zoology”

A Programme was conducted on 20/07/2022 by the department of zoology on “Careers in Zoology”. Dr. H. R. Anitha was the chief guest of the programme. Final year students who has zoology subject in their course attended the programme. Most of the students are joining the degree and P.G. courses and they did not know what to do after completing their course at the college. Keeping in view of such students the programme was arranged for the students.

Dr. H. R. Anitha dealt very extensively about the topic and clarified various doubts to the students. The resource person explained about the careers in research, careers in education, careers in other departments. Applied zoology careers were also explained to the students and career in using zoology knowledge and establishing a small scale industry was also explained. Approaching various financial institutions for funding to start business like sericulture, apiculture, poultry etc. was explained. Faculty of the department of zoology Sir. Y. Ramesh Babu. Dr. Mithun, Sri. Mahesh, Smt. Sugunavathi attended the programme. 45 students attended the programme.
