In connection of the programme "Helping Hands." This year also many students and staff members contributed minimum of Rs.10, and Rs.100 respectively.

This programme is being taken up by the college quality cell IQAC. Students and staff members really participated enthusiastically. The collected amount was 4520/- (four thousand five hundred twenty only) contributed and this amount was spent for purchasing 50 blankets to distribute to the poor students which was resolved by all the staff members.

A programme was organized December third week for distribution of the blankets by the principal and the staff members to the poor girl hostel students of this college (25) and other (25) blankets distributed to the orphans who are staying in Madarsa at Bodhan.

The principal and the staff visited and distributed the blankets to the orphan and poor students.

The motto of this programme is to enliven the idea of social service in the minds of the students. To some extent we were successful in creating the awareness of rendering social service to the community people. This is a kind of communal harmony activity.
