

Government Degree College, Serilingampally

Ranga Reddy District

GREEN AUDIT

Abstract:

The New Government Degree College of Serilingampally is established in year 2014 with Arts and Commerce subjects and later Science subjects in 2019 . It is located in BHEL township, for Degree College only two rooms are allotted, one office room and another staff room with 1000sq.fts area.

There are no Labs, Conference hall, Library hall, auditorium & canteen. College run in afternoon session in Junior college premises which is under the control of BHEL authority and constructed by BHEL Financial assistance.

Government Degree College, Serilingampally is located near to Junior College with 2 rooms. Degree College runs in Junior College by utilizing the classrooms, washrooms and water resources from Junior College. The total students strength of the College is 376, 13 Teaching staff and 8 Non teaching staff. In College we have total 7 fans , 8 tube lights ,3 PCs and 2 Printers which are in working condition. Source of electric current supply is from Junior College electricity bill is paid monthly with the reading from sub meter from 28.06.2021.The starting amount paid is Rs.11, 121/- in June & Recent Current bill is Rs.971.04/-.

The College is completely surrounded by Greenery with huge trees already planted by BHEL authority. Whatever place is left, a small area in front of college is used for vehicle parking and assembly of students on specific occasions. Many wild and grazing animals (Sheep, Buffellows, Peacocks, Cranes and snakes) frequents the area. Plants like ocimum,vinca,alstonia,artabotrys and delonix are planted during Haritha Haram .Which requires tree guards for which we requested some NGOs & Politicians for support. Pollution is minimum in the area due to lot of greenery.
