Sangareddy.

Dear Sir/Madam,

Sub: Donation of Books.

I, Mrs. Dharmishla Syam, worked as a
faculty in Microbiology and Biotechnology streams.
Because of my family priorities I've shifted.
The books I have will be helpful to the needy
students. So hereby donating some of my books
to your college students.

Hoping this small effort from
my side helps

at least a student.

Thanking you.

Yours sincerely,

Dharmishla.

Syam).
