

# ANNUAL ACTION PLAN

2018-19

GOVERNMENT DEGREE COLLEGE, SHADNAGAR

Department of Chemistry

S.No.	Month	Week/Date	Activity	Description & Objectives
1	July	I-II	Departmental conference	Annual curricular plans, strategies for development of Teaching methods, discussion on student centric learning methods, Extracurricular planning.
2	July	III-IV	Orientation classes for I year students	Cement the gap between +2 and B.Sc.by focussing on fundamentals and essential aspects of Chemistry.
3		III	Study Projects related to basics of Chemistry	Ensuring the better understanding of the concepts.
4			Personal Counselling and Grievance redress Management	Student Support system.
5		IV	Quiz competition	Quiz competition on day to day life chemistry to Creating interest in chemistry.
7	August	II	Study Projects related to basics of Chemistry	Ensuring the better understanding of the concepts.

8	September	II-III	Drawing Competition in Chemistry” on the occasion of International day for the preservation of the ozone layer	To create awareness among the students on the preservation of ozone layer by innovative thought provocation using Drawing as a media of expression.
9		III	Lecture on Preservation of the Ozone Layer	To create awareness among the students on the Preservation of Ozone Layer and role of students in Environmental sustainability.
10		IV	Lab Projects on Organic Synthesis and Analytical Techniques.	Practical Knowledge initiative.
11	January	I-II	Rangoli competition for creating interest in chemistry	<b>Rangoli competition to create interest in chemistry by using this art form as a media of expressing views of students</b>
12	February	I-IV	MOUs	Focus on Research and Extension
13		III	Extension lecture and interactive talk with eminent scientist	To promote research aptitude among the students
14		III	My Favorite Element (on the occasion of International Year of Periodic Table(IYPT)-2019)	Enhancing Expression skills and Research Aptitude among the students.
15	March	I-IV	Remedial Coaching	Student support system
15	April	III	Extension lectures	Learning Enhancement

2019-20

## Department of Chemistry

GOVERNMENT DEGREE COLLEGE ,SHADNAGAR.

S.No.	Month	Week/Date	Activity	Description & Objectives
1	July	I-II	Departmental conference	Annual curricular plans, strategies for development of Teaching methods, discussion on student centric learning methods, Extracurricular planning for BOS.
2	July	III-IV	Orientation classes for I year students	Cement the gap between +2 and B.Sc.by focussing on fundamentals and essential aspects of Chemistry.
3		IV	Study Projects related to JIGNASA	Create Research environment among the students for betterment of the society and mankind
4	August	I	“Essay Writing Competition” on the topic “Nuclear Energy: Friend or Foe?” On the occasion of International Anti Nuclear Day (Hiroshima/Nagasaki Day)	Ensuring the better understanding of Environmental awarens.  Student Support system.

5	September	II-III	Drawing Competition in Chemistry” on the occasion of International day for the preservation of the ozone layer	To create awareness among the students on the preservation of ozone layer by innovative thought provocation using Drawing as a media of expression.
6		III	Awareness program on Preservation of Ozone Layer and role of students	To create awareness among the students on the Preservation of Ozone Layer and role of students in Environmental sustainability.
7		IV	Lab Projects on Organic Synthesis and Analytical Techniques.	Practical Knowledge initiative.
8		IV	Group Discussion On relevant issues	To initiate social and environmental responsibilities among the students
9	October	I-IV	Digital assignments on Chemical elements of Periodic table the occasion of International Year of Periodic Table(IYPT)-2019) under CATALYST program	To enhance learning and applications of science and Technology
10	December	IV	Extension lecture and interactive talk with eminent scientist	To promote research aptitude among the students
11	January	I-II	Rangoli competition for creating interest in chemistry	Rangoli competition to create interest in chemistry by using this art form as a media of expressing views of students
12		II	Awareness Program on Safe use of Antibiotics  On the occasion of completion of 125 years of birth anniversary of Dr. Yellapragada Subbarow	Updating knowledge with contemporary relevance and Medical research for betterment of mankind..
13	February	I-II	Extension lecture and	To promote research aptitude among the

14			interactive talk with eminent scientist	students
		III-IV	MOUs	Focus on Research, Extension and publications
15	March	III	Workshop	Learning Enhancement & Updating knowledge with contemporary relevance and Practical approach.
16	March	III, IV	Remedial Coaching	Student support system.

## DEPARTMENT OF CHEMISTRY

### ACTION PLAN 2020-21

Sl.No	MONTH	ACTIVITY
1	SEPT-2020	1) Departmental staff meeting for AECC, SEC, GE distribution. 2) Bridge course for I yr Students. 3) CRs meeting. 4) Preparation of Annual curricular plan 5) Preparation of departmental and Lecturer wise Time tables 6) Ozone day celebrations
2	OCT-2020	1) Student admissions 2) Student Seminars 3) Ozone day celebrations 4) Tree Plantation 5) Recording of student progression
3	NOV-2020	1) Annual exams results review. 2). Haritha haram ( Tree plantation) 3) Orientation class for first year students. 4) Initiation of student study projects. 5) Assignments
4	DEC-2020	1) World AIDS day awareness programme. 2) Commencement of student study projects 3) Student seminars. 4) Swatch Bharath 5) Essay writing competitions 6) Field trip 7) Internal assessment

5	JAN-2021	1) Extension Lecture. 2) Remedial coaching for backlog students. 3) Practical Examination 4) Project works submission/Review 5) Assignments
6	FEB-2021	1) Theory Examinations 2) Departmental meeting. 3) National Science day celebrations 4) Internal examinations 5) Celebration of National Science Day
7	MAR-2021	1) Student seminars. 2) Assignments 3) Remedial Coaching 4) Clean and Green Programme
8	APR-2021	1) Group discussion 2) Best practice activities 3) Student study projects 4) Departmental meeting and review of term exam results
9	MAY-2021	1) Remedial classes for backlog students 2) Summer Vacation 3) Practicals Revision
10	JUNE-2021	1) World Environment day celebrations 2) Conduct of Pre-final examinations 3) Departmental staff meeting for preparation for practical examinations. 4) Career guidance 5) Feedback collection. 6) Conduct of practical examinations. 7) Commencement of PG entrance coaching
11	JULY-2021	1) Theory Examinations-III and V Semesters 2) Internal exams sem-I and IV

		3)Remedial classes III Yr 4)VI Semester Examinations 5)Field trip
12	AUG-2021	1)I & VI Semester Examinations 2)Field trip report presentation –IIyr 3)AECC-II Exam 4)Practical Exams-I Yr
