Circular

Sub: Collegiate Education – **Telangana ku Haritha Haram 2021-22**– Survival Status Reports called for – Certain Instructions - Issued.

'**Telangana Ku Haritha Haram**' is the flagship programme of the Government of Telangana. It conceives to increase the tree cover of the Telangana State from 25.16% to a minimum of 33% of its total geography. The main goal of this programme is to restore the ecological balance, conserve biodiversity and protect soil and its nutrients. For this purpose, massive plantation programmes have been underway since the past six years.

All the Principals of GDCs in Telangana State are hereby instructed to submit the survival status reports of saplings planted in the last five years along with action plan/target for Plantations in this monsoon season. Further, they are instructed to attach **laminated QR codes** to all the surviving plants and the **QR code** should contain information like the scientific name, Local name, Date of Plantation, Habitat, Conservation status, etc. Please go through the link <https://pfaf.org/user/cmspage.aspx?pageid=180> as an example.

A detailed report on the survival status of saplings planted with their scientific name, number, location and photographs have to be submitted to O/o CCE by e-mail to trainings-ce@telangana.gov.in by 21.06.21. In addition, QR coding for all the surviving plants has to be completed by 30.06.21 without fail.

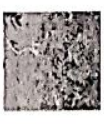

(Orders of CCE have been obtained in note file)

**Commissionerate of Collegiate Education
Government of Telangana
Circular**

Sub: Collegiate Education - Environment Protection Training Research Institute (EPTRI) - Conducting various Competitions in GDCs on the occasion of World Environment Day - Orders Issued-Reg.
Ref: Message received from Director General, Environment Protection Training Research Institute (EPTRI), Dated: 24.05.2022.

Environment Protection Training Research Institute (EPTRI) is a leading agency in India, which provides training, consultancy, applied research and extends advocacy in the area of environment protection to various regulatory bodies, Government organizations and NGOs and works towards bringing about change for a more balanced development.

EPTRI in collaboration with Commissionerate of Collegiate Education, Hyderabad and Telangana State Pollution Control Board is conducting Competitions for students from GDCs to mark the celebration of World Environment Day which falls on 05 June 2022. The three categories of competitions are as tabulated below:

Sl. No.	Name of the Contest	Theme of the Contest
1	Painting Competition	Only One Earth
2	Essay Writing Competition	Switching to Hydrogen from Fossil Fuel is beneficial for the world
3	Video Making Contest	Living sustainably in Harmony with nature

In this regard, all the Principals of GDCs are instructed to conduct the competitions in your respective colleges and select the best three entries scrupulously in each category and mail them to O/o CCE at tr@telangana.gov.in on or before **30.05.2022**.

The best three entries from each category from each district will be awarded with prizes and certificates and their work will be showcased on ENVIS Newsletters and Social media. Keeping distance in mind, the winners of the competitions belonging to districts Hyderabad, Rangareddy, Sangareddy and Medak will be given at EPTRI, Hyderabad on the 4th June 2022. The prizes of the competitions belonging to other districts will be sent to their respective colleges. All the participants will receive e-certificates from EPTRI.

The flyers for the competitions are attached along with this circular for additional information. The Principals and faculty members of the colleges are instructed to widely circulate these flyers among the students and staff to ensure maximum participation in all the three categories of competitions.
