Analogy, Data Interpretation & Allocation of Mixture

02 May 2020

UG students of Tara Government college were given training on **Analogy, Data Interpretation & Allocation of Mixture** by Sri N.Venkata Ramana Rao, TSKC mentor. The programme took place on 2 May 2020. Ninety two students attended. The class started with the introductory ice-breaking questions that were asked in the earlier competitive examinations. Then the trainer gradually and logically got the students to complex problems that are usually asked in any competitive examinations on the given topic.
