Analytical Reasoning

15 May 2020

Under the topic Arithmetic and Reasoning, Tara college UG students were given guidance for **Analytical reasoning** topic on 15 May 2020. The TSKC mentor Sri N.Venkata Ramana Rao, started the class with permission of the chair. Ninety one students attended in the class from various courses of UG. Since the topic is important for testing of analytical ability, the trainer explained and exhorted the importance of the topic to the participants. He showed a few questions that were asked in various competitive examinations. He explained basic concepts of how questions on analytical reasoning. He then gave a few exercises to be solved.
