Telangana Skill & Knowledge Centre (TSKC)

Training on Job Skills

Arithmetic & Reasoning Classes

Number System

27 April 2020

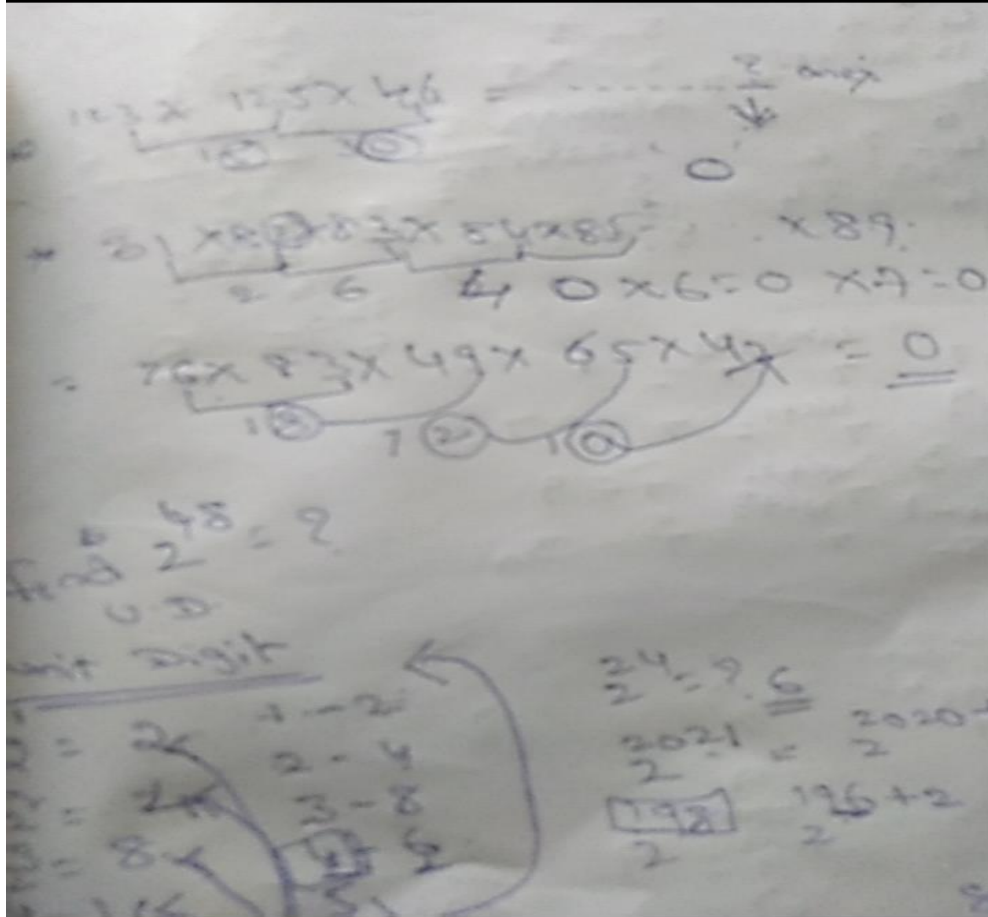

For the UG students of Tara Government College , Sangareddy (A), the TSKC arranged a training on Job Skills on the topic **Number Systems** on 27 April 2020. The class was started by the resource person after ice breaking session. He asked about the number systems. After he got the required answer, he slowly brought the participants to the relevance and importance of the topic in one's life with special reference to competitive examinations. He explained with examples of problems that were asked in competitive examinations. He then, gave assignments.
