#### DEPARTMENT OF PHYSICS Report on National Science Day

It was 28 Feb 2022 a very informative and useful programme was organised by the departments of sciences in celebrating the Indian Science Day on the occasion of Sir C.V. Raman birthday. The principal preceded over the function. The science faculty made all arrangements and motivated the students to take part in the programme very actively as a sincere tribute to the science prodigy of the Indian Science and Nobel laurite in physics.

As a mark of respect to the Nobel laurite Sir .C. V. Raman. On the day of his birthday the students of physical science have lunched WATER ROCKET on the campus to show that they have high respect and adoration for the Indian scientist who gave scientific temperament as legacy to the next generation to fallow and achieve.

Staff and students spoke on the occasion and some of the students declared that they wanted to become scientists in future like Sir C. V Raman and others. The Principal inspired the students with his motivating speech that everything is possible for human beings provided one must have constant Zeal and hard work like Sir C.V. Raman.

In that way science day was celebrated with complete interest and joy as a mark of respect to science and technology.
