RESOLUTION - Inverter and Purchase Committee

The staff meeting is held on 04-01-2022 with all the staff members under the chairmanship of the Principal Sri D. Bass gow. in the principal chamber.

After clear and careful discussion among the staff members in the larger academic interest of student welfare, the following resolution has been taken for implementation soon.

As it is known that the Inverter and the Batteries are not working properly, and it is known that they are irreparable. The collective decision is taken with the complete concensus of all the staff members, it is resolved to purchase new inverter and new batteries. For that purpose the committee is constituted for calling for quotation, recommendation of the companies and the purchase of them. As per the norms, the quotations are called for. In response two companies namely 1. Lucky Batteries. 2. Golden Batteries. and Auto Electrician works.

The purchasing committee, as recommended to purchase Inverter and Batteries from Lucky Batteries, siddipet; as it is comparatively cheaper than the other. The committee is directed to meet the expenditure of the purchase of new Inverter and Batteries by availing from special fee fund of the college, as decided and resolved by all the staff members collectively without deviation and the committee is instructed to submit the bills after the installation.

The following committee has been constituted

(PTO...)

for the purpose of calling for quotations, purchase of new Inverter and Batteries installation, and submit - send of concerned bills within the stipulated time.
