

**GIRRAJ GOVERNMENT COLLEGE (A),
NIZAMABAD, TELANGANA STATE**

A REPORT ON

**SCIENCE ACADEMIES LECTURE WORKSHOP ON CURRENT TRENDS
IN APPLIED BIOLOGY**

ORGANIZED BY: DEPARTMENT OF ZOOLOGY

I. Aims / Objectives of the Workshop:

1. To benefit the students and faculty at the Under Graduate, Post Graduate level by involving their active participation.
2. To encourage and involve the participants in research activities.
3. To provide opportunities to the students, scholars and faculty to interact and rapport with the eminent scientists and researchers

II. Subjects Covered:

1. Cell and Molecular Biology
2. Animal Biotechnology
3. Evolutionary Developmental Biology
4. Genetic Engineering
5. Cancer Biology
6. Microbiology
7. Environmental Science- Animal Biodiversity

III. Resource Persons:

1. Dr Surrender Ghaskadbi , FNASc, Emeritus Scientist (CSIR),Pune
2. Dr Subeer S.Majundar , FNASc, NIAB, Hyderabad
3. Prof. Rita Mulherkar , FNASc, Tata Memorial Centre, Mumbai
4. Dr S.Shivaji , FNASc, LV Prasad Eye Hospital , Hyderabad
5. Dr Geeta K.Vemuganti, Prof. and Dean, School of Medical Sciences, UoH.

IV. The names of colleges represented:

1. Girraj Government College (A), Nizamabad
2. Government Degree College, Morthad
3. Government Degree College, Nirmal
4. Government Degree College, Banswada
5. Government Degree College, Bichkunda
6. Telangana Tribal Welfare Residential Degree College (women), Nizamabad
7. Telangana University, Nizamabad
8. Vagdevi Degree College, Nizamabad
9. K.L.University, Vijayawada, A.P
- 10.S.S.R Degree College, Nizamabad
11. Gouothami Degree College, Nizamabad
12. Nalanda Degree College, Nizamabad

Number of candidates registered: 164

Number of participants: 155

V. Brief report on workshop:

The department of zoology of the college expresses sincere gratitude to the joint education panel of three academies –IASc, INSA and NASI for approval and sanction of two day science academies lecture workshop with all types of financial provisions.

Professor Rita Mulhelkar, the convener of present workshop has expressed her whole hearted satisfaction over the arrangement such as location of venue wide publicity of the workshop and other necessary arrangement made by the host institution i.e. Girraj Government College(A), Nizamabad. All the resource persons who attended the workshop felt happy in respect of response of participants toward their lectures and their active interaction with them by asking questions and doubts they got clarified by resource person

It is the best opportunity to our students of rural background to attend such type of workshop organized in the rural areas which provides a common platform to expose themselves in front of eminent personalities who hailed from prestigious national institutions and also proved a chance to exchange and share the opinions and knowledge.

After analysis of feedback given by participants it was the fact that topics covered by resource person were more informative, thought provocative and inspiring one. The knowledge gained in the workshop was more useful to our graduates, post graduates, Research Scholars and Faculty of all bioscience departments of this college, other colleges of the locality and the university to which the host college is affiliated. The participants also felt happy to having an opportunity to take part in science academies lecture workshop sponsored by prestigious national joint academy panel of three national academies, some of the participants spontaneous decided that they would like to choose a research work for their future academies carrier and they would like to contribute to the research work already carried by different scholars in the different fields who have been working various organization of the country and the world

A two day workshop entitled “Current trends in Applied Biology” was organized by the department of Zoology on January 17-18, 20018 at seminar hall, Girraj Government College Nizamabad.
