

Tara Government College Sangareddy (Autonomous)

An ISO 9001: 2015 certified college

Internal Quality Assurance cell

Employment opportunities through Degree

31 August 2019

The college Internal Quality Assurance Cell identified skill gap among students. To fill the gap, the chairperson Dr. Chandra Mukherji, chairperson of IQAC instructed the designated staff to impart vital points as part of refresher programme.

Objectives:

- To train students on employment opportunities to UG students
- To bridge the skill gap

The programme started as 914 UG I year students attended the programme. The COE and Academic coordinators explained admission procedure and examination process, both internal and external in the semester and CBCS mode. TSKC coordinator explained how skilling is done at the college. Academic coordinators also explained how AECC, SEC and GE are helpful to them in their lives. All HoD s of various department explained how their courses are useful to the students. Career Guidance convener exhorted on the opportunities provided at the college. Dr. Chandra Mukherji exhorted on opportunities provided at the college. She wished the best to the students.

Vote of thanks was offered by Sri M. Krishna, lecturer in Computer Science.
