- Department has conducted its Board of Studies meeting for the approval of B.Sc. Biotechnology syllabus for the Academic year 2020-21 by Prof. Smita Pawar, Department of Biotechnology, Osmania University.
- A national webinar was conducted on the topic "**Intellectual property rights and Patent Issues**" on 08.04.2021 by **Javeria Uzma, Asst. Prof of Biotechnology, Telangana University** as resource person for all the B.sc Life Sciences students thru online mode, followed by quiz completion. Where nearly 200 plus students participated.
- Department has conducted DNA Essay writing contest, on 25.04.2020 which commemorates the completion of the Human Genome Project.
- Screened the Documentary "**Blueprint**" for the B.Sc. Life sciences students. The Movie is based on the idea of cloning, the first ever cloned human beings.
- Delivered extension lecture on the topic "**Bioremediation of toxic metals**" to the B.sc Biotechnology students of the **Pingle Govt. Degree college for women, warangal (Urban)** on 01-07-2021, as part of curriculum thru online mode (ZOOM). Where a good number of students participated.
- The Department of Biotechnology in collaboration with PCRA Hyderabad, conducted energy conservation awareness program by delivering talk on "**Global warming and Climate change**" on 22.10.2021, by Sri. KVSS Narayana Raju, External faculty PCRA Hyderabad. About 55 girl students participated in this program. Followed by quiz competition.
- The department has conducted awareness program on "Prevention of HIV" among the youth. Also conducted essay writing competition, on the occasion of AIDS Day.

➤ Delivered guest lecture on the topic "**NON-Mendelian Inheritance**" for all the B.sc

biotechnology students thru Zoom meeting for and SSR Degree College, Nizamabad.

**ECO CLUB**  
**ANNUAL REPORT 2020-2021**

**WORLD SPARROW DAY ON 20-03-2021**

World Sparrow Day is celebrated on March 20 worldwide every year.

**Objectives:** World Sparrow Day is celebrated on 20 March every year in many countries around the world. Every year celebration is organized according to the theme. **The theme for World Sparrow Day** is "I LOVE Sparrows" and is pictured like " I ♥ Sparrows". It is a hope that with this theme more people will join several events and campaigns to protect the sparrows. We all have some kind of special bond with sparrows since our childhood. Theme "I Love sparrow" will remind people the love and bond with sparrows and encourage them to come forward.

**Activity:** On this day in order to bring an awareness about depletion of the sparrow population and then other common birds to urban environments and of threats to their populations due to various human activities an essay writing was conducted among students to evoke the empathy and to inculcate a sense of responsibility and probable solutions towards the current situation.

## WORLD EARTH DAY ON 22-04-2021

Earth Day is an annual event on April 22 to demonstrate support for environmental protection. Making it possible to have a macro impact on the environment by making micro changes.

**Theme:** The theme for Earth Day 2021 is "Restore Our Earth and it "focuses on natural processes and emerging green technologies that can restore the world's ecosystems. In this way, the theme rejects the notion that mitigation or adaptation is the only way to address climate change."

### **Objectives:**

- \* Relate human behaviour to environmental impact
- \* Summarize the negative environmental effects of human consumption
- \* Analyse personal consumption in terms of environmental impact
- \* Create a plan to reduce personal environmental impact

### **Activities:**

## Webinar

On occasion of the Earth Day Eco club arranged a national webinar on “Sustainability of Earth” by the resource person K. Kanaka Durga Prasad, Lecturer in Geology, Nagarjuna Government Degree College, Nalgonda.

### **HARITHAHARAM ON 02-07-2021**

As a part of vana mahotsavam plantation program from 1-7th July, eco club took active part in planting few saplings in college premise.

Respected principal ma'am Sri. Praveena garu, Eco club convenor – Smt. Sugunavathi, NSS PO – Dr. O. Padmaja, vice principal – Dr. A. Venkatesh garu & Dr. P. Bhaskar yogi garu can be seen in the picture.

### **ECO FRIENDLY GANESH IDOLS DISTRIBUTION ON 09-09-2021**

Eco friendly clay idols of Lord Ganesh were distributed among the staff as a **BEST PRACTICE OF ECO CLUB.**

**Objectives:** The basic idea of this best practice is to respect the environment. Ganesh Chaturthi is a festival which is celebrated all over India to worship Lord Ganesh, is becoming more eco-friendly nowadays. Generally, Ganesh murties are made of Plaster of Paris, are immersed in water after Ganesh Chaturthi, which harms the water bodies. Many of the people are practicing the eco-friendly Idol during Ganesh Chaturthi.

**Eco-friendly Ganesh Murties are made of organic soil/mud, natural colours.** Being responsible future citizens, students can accomplish something for our environment. Plaster of Paris is non-

biodegradable made of poisons and unsafe colours and it severely pollutes the sea-going life and water bodies. To spare and secure our nature, we should hold hands and do our bit, and go for eco-friendly items.

Numerous campaigns are performed to make awareness on conserving the environment through different mediums.

The following are the significant outcomes expected by utilizing eco-accommodating Ganesh Murties.

**It Saves Our Water Resources:** As stated before, Ganesh Chaturthi is celebrated by immersing Ganesh murtis in water. Idols made of Plaster of Paris are non-biodegradable and it will contaminate water by killing the sea-going lives and expanding the corrosive substance of the water. While eco-friendly idols are degradable and they won't hurt any living creatures in the water.

**It Protects Human Health:** One of the main aspects of why you should use eco-friendly Ganesh Idols is that with unclean and dirty water, people will get infected with dangerous elements. Plaster of Paris and other harmful colours can cause health problems. By worshiping Eco-friendly Idols which are made of organic soil can solve this problem It Helps Avoid Food Poisoning, The components used to design Lord Ganesh contain various metals that pollute the water. Be that as it may, in eco-accommodating Ganesh Idols, while in eco-friendly Idols there are no such poisonous elements are used.

**Fake diamonds and glitters:** There are numerous sparkles and metals used to make Ganesh Murtis that are harmful to the body when it interacts with it. This can cause allergy and other health problems due to the presence of chemicals. While Eco-friendly Ganesh Idols are not made with any such sparkles.

**Eco-friendly is easy to make:** If you want a Ganesh Idol made of Plaster of Paris, you may need to rely upon the sculptor. In the case of eco-friendly idols, you can make one yourself with the help of your family members. It spreads more satisfaction and congruity in the family and among the individuals from the family. The family bond is one of the significant factors of bringing home an eco-friendly idol

**It is Easily Available:** Why you should use eco-friendly Ganesh Idols? Indeed, the answer is simple. Eco-friendly murti can be made with things that are effectively accessible at home. With the increase in the number of people who support or love the environment, eco-friendly Ganesh idols are easily available in the market as well. Along these lines, have a favoured eco-friendly Ganesh Chaturthi by bringing eco-friendly Ganesh idols and conserving nature with going green every Ganesh Chaturthi

**How to recognize Eco-friendly Idols:** Plaster of Paris Idols are almost very lighter in weight and painted with toxic and shiny colours. While eco-friendly murti is heavier in weight and natural colour are been used to paint them which will help to keep our water bodies clean even after Ganesh Chaturthi.

**Eco friendly clay Idols of Lord Ganesh being handed over by respected principal ma'am Sri. Praveena garu to Staff members.**

**Shri. Dinesh Shukla, A.O., Tara GDC (A), srd, TS receiving Clay Idol from Principal Madam.**

**WORLD OZONE DAY ON 16-09-2021**

An interaction among the students of life sciences in the class room to spread awareness about the depletion of the Ozone Layer and search for possible micro solutions to preserve it.

Topic: “A world without Ozone layer”.

Activity: A debate was conducted among the peer group.

**WORKSHOP ON GLOBALWARMING ON 22-10-2021**

A seminar Presentation on global warming and the climatic changes, the issues related were discussed with the student community by resource person Sri. KVSS Raju garu from ZSI. Later a Quiz was conducted for the students and certificates were handed over.

**NATIONAL POLLUTION PREVENTION DAY ON 02-12-2021**

National Pollution Prevention Day is observed on 2<sup>nd</sup> December in India. This day is observed in the memory of people who lost their lives in Bhopal gas calamity. To spread awareness on managing and controlling industrial disasters and to prevent the pollution produced by industrial processes Eco club in collaboration with department of Zoology conducted poster presentation on pollution prevention among student community.

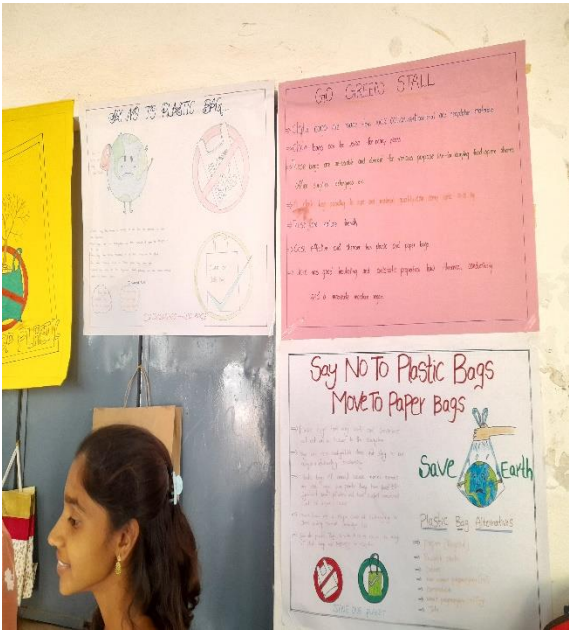

### **NATIONAL ENERGY CONSERVATION DAY ON 14-12-2021**

Zero hour was observed where in power was shut down in entire college signifying the importance and need of the hour -energy saving.

### **PRODUCE FEST- CLOTH BAG SALE**

As part of SAY NO TO PLASTIC Eco Club organized sale of cloth bags.

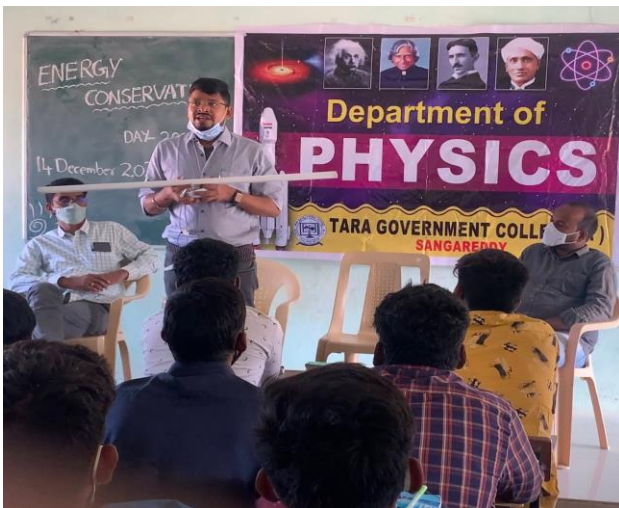

## Department of Physics

TARA Government College, Sangareddy

### Departmental Activities 2021-22

#### Energy Conservation Day

The department has conducted energy conservation day on 14 December 2021

# Thomas Edison Birthday

The Department of Physics Celebrated Edison's Birthday on 11 February 2022.

### JIGNASA Student Study Project

The department has done a project with Five students from B.Sc MPCs III year on Conservation of Energy using Sensors. The students have demonstrated conservation of energy using Photo sensors and motion sensors and thermal sensors.

The following students have participated in this project.

B Krishna BSc MPCs III year

B Umarani BSc MPCs III year

A Suyog BSc MPCs III year

S Jashanth BSc MPCs III year

S Rahul BSc MPCs III year

**Mentor**

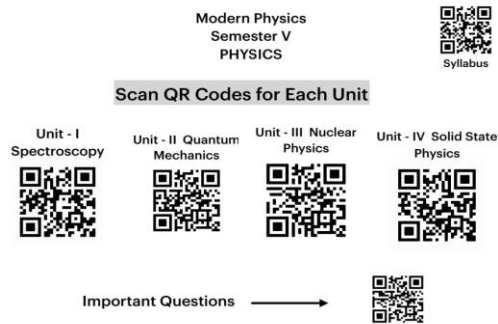

P R Ratan Kumar , Head & Assistant Professor

### Usage of ICT

QR Code Based Learning

The department of Physics has started an innovative way of learning using QR Codes. This enables students to find the most convenient way of getting materials. The Time table also can be accessed using QR Code.

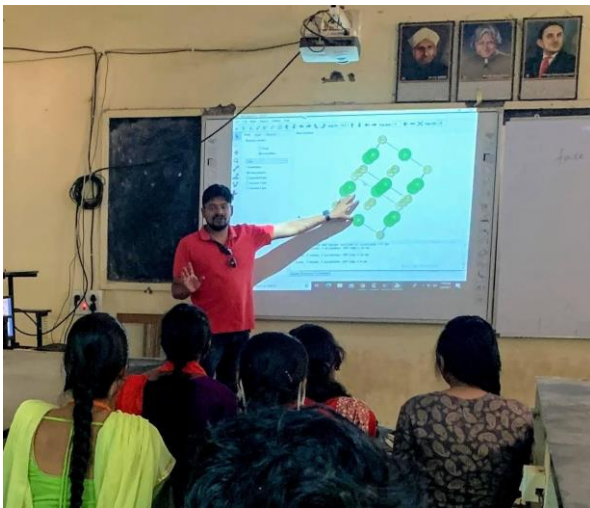

In addition the Department extensively uses Google Classroom, Google Docs, Google Sheets and Google forms.

The Department has started taking Digital Attendance thereby reducing paper wastage easily analysing. All the faculty making and uploading YouTube videos.

The department also started YouTube Channel and Playlists for accessing classes on important topics

Simulations has also been started.

In administration also the department uses Cloud based docs for easier editing and updating.

**Tara Government College, Sangareddy**  
**Annual Report 2020-21**

**1.Quize programme:**

Quiz programme for UG students from BA group was conducted on 29<sup>th</sup> July 2020. Nearly 16 students have participated.

**2. Project work:**

Department of history conducted a project work on coinage in India ancient to modern on 10th September 2020. 8 members students participated

**3.Students Seminar:**

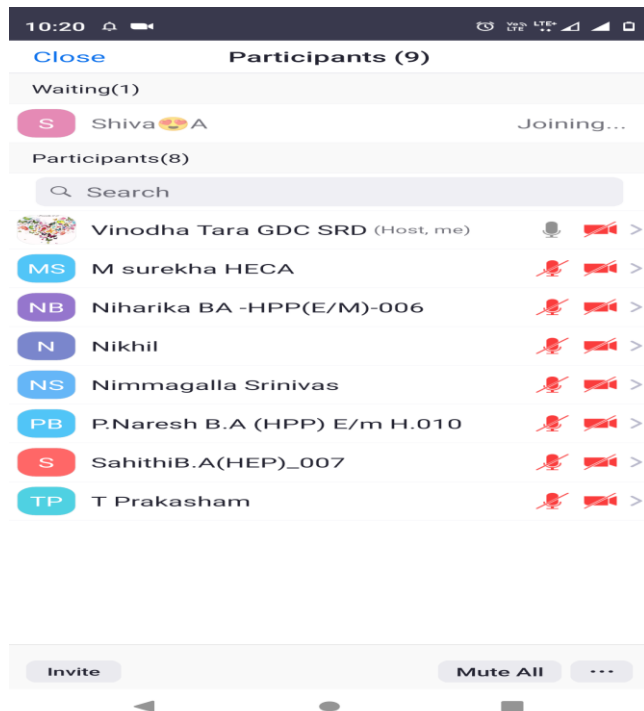

Department of History conducted Students seminars on topics 1. Sources of Information

Literary Sources:

I. Religious (Vedic, Buddhism, Jainism, Sangam) II.Secular (Social, Political, Economic etc

III.Archaeological (Inscription/ Epigraphy, Numismatics/Coins, Monuments)

IV. Foreigner Details (Greek, Chinese, Arab travellers) in the month of December 2020. 10 members students participated.

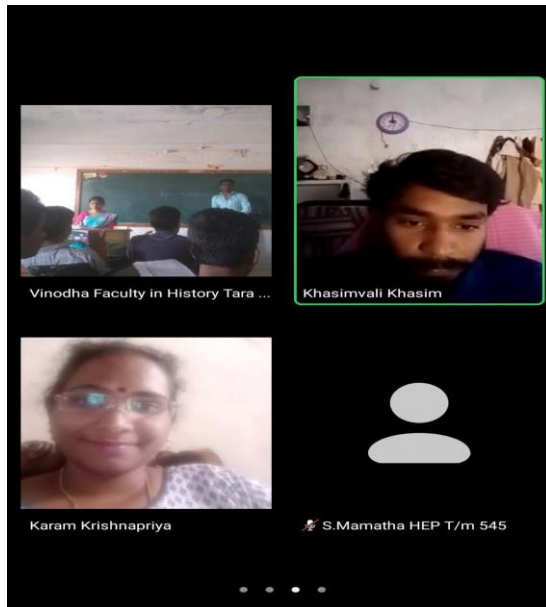

**4. Essay writing Competition:**

Department of History conducted essay writing Competition on the occasion of National Tourism Day on 25th January 2021 in zoom meeting. 20 members students participated in essay writing Competition.

**5. Extension Lecture:**

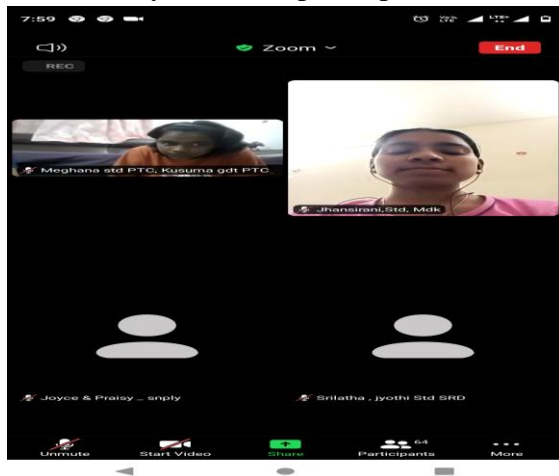

Dept.of History conducted Extension Lecture on 25th March 2021 by Smt.Krishnapriya Assistant professor of History , Women GDC, Sangareddy.

On "A Study of Inscriptions (Understanding History through Inscriptions) 34 students participated.

### 6. Students Seminar:

Department of History conducted Students seminars on topic "Importance of History & It's relevant to present generation" on 25th & 26th June 2021. 4 members students presented their synopsis. All BA (History) students participated in Seminar.

### 7. Book Review:

Department of History conducted Book Review on "Bharatadesha Charitra Prachina Yugam" on 28th Sep 2021. 5members students present a seminar on 5units of the book. All BA students participated.

### **8. Quiz Competition:**

Quiz programme for UG students from BA group was conducted on 21st October 2021 Nearly 36 students have participated.

### **9. Filed Trip:**

Department of History conducted a filed trip on 26<sup>th</sup> November on Ancient coins and Inscriptions at Kondapur Museum, Sangareddy Dist. 30 members students participated.

### **10. Historical exhibition:**

Dept.of History conducted an Historical exhibition on 16 December 2021. Students have prepared the Charts on Historical events like GoutamaBudda& His Life events, Koutiyan's Artasastra, Coinage, Inscriptions.

And monument models are prepared by Students that Charminar, Tajmahal, Mysore palace, Redfort, Saranat stupa. Charts and monument are exhibited in Historical exhibition.

All groups of the UG students, Principal,Teaching, and non teaching faculty members have visited.

### 11. Produce Festival:

Tara Government College, Sangareddy (A) conducted produce festival. Department of History students prepared items with Millets and sold in the festival. T.Priyanka prepared Korra pogal, Jyothi - Sweet with Millets, Geeta - Ragi dhaliya, Sony & Sonai - Multi Millets dosa, Mahendar - Ragi java, Hareesh, Irfan acted as sales keeper.

### WORLD OZONE DAY ON 16-09-2021

An interaction among the students of life sciences in the class room to spread awareness about the depletion of the Ozone Layer and search for possible micro solutions to preserve it.

Topic: "A world without Ozone layer".

Activity: A debate was conducted among the peer group.

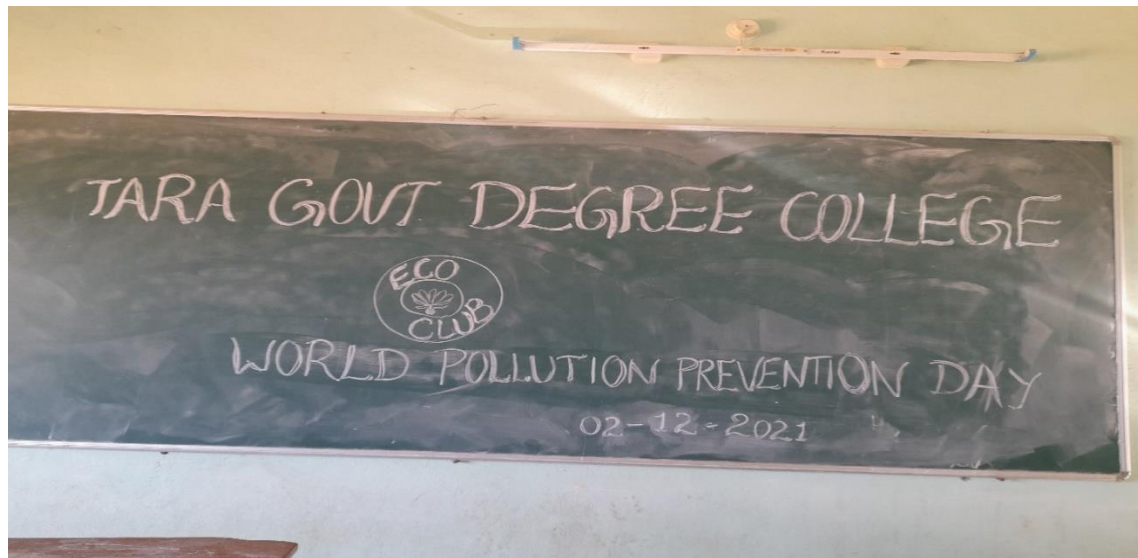

### WORKSHOP ON GLOBAL WARMING ON 22-10-2021

A seminar Presentation on global warming and the climatic changes, the issues related were discussed with the student community by resource person Sri. KVSS Raju garu from ZSI. Later a Quiz was conducted for the students and certificates were handed over.

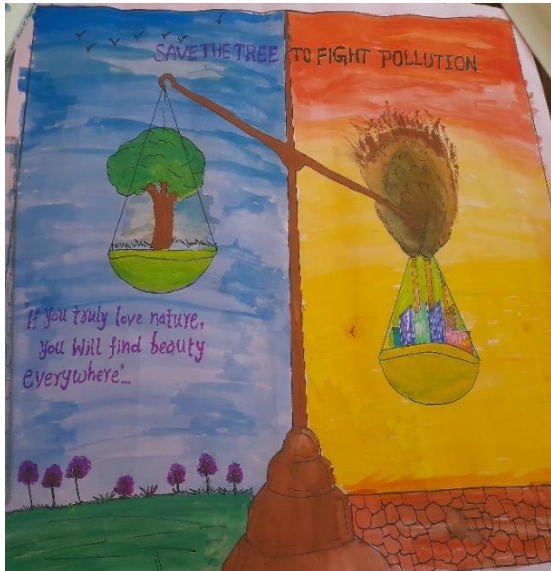

### NATIONAL POLLUTION PREVENTION DAY ON 02-12-2021

<p><b>TASK - UNYCC Conclave on 1st May 2021: 21st Century</b></p>	<p>Greetings from TASK!</p> <p>TASK and UNYCC would like to invite the students</p>	<p>22.04.2021</p>																				

<b>Workplace Skills &amp; Attitude</b>	<p>of your prestigious institution to participate in a dialogue on “<a href="#">21st century workplace skills</a>”. The use of technology and innovative business models is transforming hiring criteria of employers across sectors. In addition to academic and technical skills, companies prefer hiring candidates who are trained in essential new age soft skills such as entrepreneurship, creative thinking, critical thinking and problem solving. In-fact institutions such as the World Economic Forum rank these amongst the top 10 must have skills for entry level candidates. Therefore it is essential that students are made aware of what they need to do in order to build sustained career trajectories in this new world of work.</p> <p>Our eminent line up of speakers include Deloitte’s Managing Director Mr Vikas Gupta, Dell India’s Chief of Staff Mr Vijaya Mohan Reddy, Novartis Biome India Head Renika Bodla and other such accomplished CEOs &amp; HR Heads.</p> <p><a href="#">Mr Pullela Gopichand (Chief Coach, Indian National Badminton Team) and Mr Jayesh Ranjan (Principal Secretary, Industries &amp; Commerce and IT, Telangana Government) will deliver the keynote address.</a></p> <p>Date: <a href="#">May 1st 2021</a>  Time: 3pm to 5pm  Medium: Digital  All participants will also receive a certificate which will be of immense value during the placement process.</p> <p>You could either email us a list of participants with Full name, Email ID &amp; Mobile Number or students can directly enroll on this link: <a href="#">UNYCC   TASK - EVENT REGISTRATION (google.com)</a> or <a href="http://bit.ly/unycc_task">http://bit.ly/unycc_task</a>.</p> <p>For any further information please feel free to call me.</p> <p>Look forward to a positive response.</p>

<p><b>TASK-UIPATH</b></p>	<p>This is an introductory mail to one of our Industry Partner "UIPATH</p>			<p>23.03.2021</p>

<p><b>Academic Alliance Program</b></p>	<p>Academic Alliance.”</p> <p><b>About UIPATH Academic Alliance:</b></p> <p>UIPATH provide individuals with free courses for UIPATH Academy and started teaching RPA(Robotic Process Automation) to over 35,000 now certified developers, propelling our rocket ship growth. UIPATH is the fastest-growing enterprise software company in history. The employee base grew to over 2,900 employees <b>today</b>, across 25+ offices. In 2019 UIPATH was named a leader in the Gartner Magic Quadrant for Robotic Process Automation Software.</p> <ul style="list-style-type: none"> <li>• Institutionalizing RPA (Robotic Process Automation) as a discipline in academia.</li> <li>• Preparing students and educators with in-demand to automation skills.</li> <li>• Creating a differentiation for universities.</li> <li>• Connecting students and educators to a community of practitioners.</li> </ul> <p><b>TASK &amp; UIPATH program has signed for partnership to help students &amp; faculty of partner institutes gain insight &amp; expertise in latest industry technologies.</b></p> <p>Through this association we will be offering three different courses to all the TASK membership colleges.</p> <ul style="list-style-type: none"> <li>• Robotic Process Automation (RPA) Design &amp; Development v1.0- Lecture (40 hours), Hands-On Lab (20 hours). <ul style="list-style-type: none"> <li>• Step in to RPA(Robotic Process Automaton) - 4 hours.</li> <li>• Introduction to RPA (Robotic Process Automaton) -14 hours, can be a 1 credit elective or required course.</li> </ul> </li> </ul> <p>At the end of each course, students will earn a participation certificate and Learners earn an UIPATH Junior RPA Developer Certification after successfully passing the certification exam.</p> <p>As part of UIPATH and TASK collaboration UIPATH would like to open-up academic membership to the colleges under TASK who can get the direct advantage of UIPATH Certification.</p> <p>The benefits for an engineering college to participate in the UIPATH Academic program include:</p> <ol style="list-style-type: none"> <li>1. FDP is organized on Robotic Process Automation (RPA) Design &amp; Development v1.0- Lecture (40 hours), Hands-On Lab (20 hours) to the faculty of the partnered colleges,Instructor logins, course content etc. are given.</li> <li>2. Industry aligned global certification.</li> <li>3. Faculty to attend FDP and roll out Courses.</li> <li>4. Dedicated slots (at least 2 hrs per week) in academic curriculum for students to go through a program.</li> <li>5. Monthly monitoring of program.</li> </ol> <p><b>Who can take:</b> Students of 3.1 &amp; 4.1sem year of Engineering.</p>	
---	---	--

	<p>Students of 2.1 &amp; 3.1sem year of MCA and Degree. Kindly confirm your Interest to be part of this partnership on and before <a href="#">27-03-2021</a>.</p> <p>Attached PDFs will give all the additional information you might need. For more details regarding this program, please feel free to contact me for any assistance</p>	
<p><b>TASK-AWS DeepRacer Women's League</b></p>	<p>Greetings from TASK!</p> <p>Amazon Web Services(AWS) is hosting a DeepRacer League exclusively for female students.</p> <p>Hosting a DeepRacer league is a conscious attempt to foster community learning and mark a headway towards the early adoption of AI, ML technologies for a future, gender diversified workforce.</p> <p>The AWS DeepRacer Women's League will help foster community learning and help with the early adoption of artificial intelligence and machine learning technology for a more diverse workforce of the future. The initiative aims to bring together women students to learn collaboratively and get hands on with machine learning through a cloud-based virtual racing simulator. During the course of the competition, participants get the opportunity to build their ML models and compete on tracks virtually while driving deep into advanced reinforcement learning and upskilling with ML.</p> <p>India has a significant stake in the AI revolution of the world. The Govt. of India, at the helm, is driving AI innovation &amp; adoption with multiple initiatives like #AIForAll, Digital India, Future Skill Prime etc. This is a clear opportunity to build an AI Skilled workforce for the future. AWS DeepRacer Women's League is designed to promote up-skilling in machine learning (ML), as well as inclusion and diversity in the technology sector. This is a women centric league to attract diverse talent in this fiercely competitive talent market place and upskill them on emerging technologies like AWS machine learning.</p> <p><b>Eligibility : All streams(Any year) - Engineering and Non Engineering</b> Women who are at least 18 years of age currently enrolled with an academic institution.</p> <p><b>Registration Link :</b> (<a href="https://awsdeepracerleague.in/womens-league-2021/">https://awsdeepracerleague.in/womens-league-2021/</a>) <b>Last Date for Registration - April 4th</b></p> <p>This event is to mark the occasion of International Women's day and will begin with regional elimination round comprising of <b>AWS DeepRacer community race</b> across four regions in India (North, East, West, South), followed by a national elimination community race and then the grand finale <u>on 21<sup>st</sup> April</u>, where participants will upload their models and run on the virtual track which will be streamed live on <a href="https://www.twitch.tv">twitch.tv</a>. <u>The event is open to all women students currently enrolled with higher education academic institutions in India</u>. They would register on <b>AWS Educate</b>, complete the AWS machine learning and AWS DeepRacer course modules as well as attend the enablement sessions planned during the event.</p> <p>You are requested to promote the event amongst your female student audience and ensure maximum participation.</p>	23.03.2021
<p><b>TASK-NRSC-ISRO : Water Quiz on 23rd March (Tuesday)</b></p>	<p>Greetings from TASK!</p> <p>We are glad to inform you that on the occasion of world water day 2021 (i.e, 22.03.2021), TASK and NRSC-ISRO are conducting the water quiz for all the students. please, find attached the document.</p> <p><b>The details are:</b> <b>Date of the Quiz: 23rd March (Tuesday)</b></p>	22.03.2021

	<p><b>Time:</b> 5.00 PM  <b>Registration link:</b> <a href="https://bit.ly/3f8JQml">https://bit.ly/3f8JQml</a>          Kindly share the information with all our students</p>													
<p><b>TASK - Tableau DataViz Challenge - 2021 by SmartBridge in Collaboration with Tableau</b></p>	<p>Greetings from TASK!          TASK in association with Smart Bridge organizing a boot camp for faculty and student.Below are the details</p> <p><b>About the Program:</b>  <b>SmartBridge</b> in partnership with <b>Tableau</b> is hosting India's Biggest <b>DataViz Challenge</b>, a unique program for both students &amp; educators.          This exclusive academic initiative program is to build practical and analytical data skills in students &amp; educators. The DataViz Challenge will provide hands-on exposure to the data analytics powered by Tableau E-Learning and Tableau Software.</p> <p><b>Event Name:</b> Tableau DataViz Challenge - 2021  <b>Registration Link:</b> <a href="https://smartinternz.com/tableau-dataviz-challenge-2021">https://smartinternz.com/tableau-dataviz-challenge-2021</a>  <b>Event Format:</b> 5 Days Bootcamp + 10 Days DataViz Challenge</p> <p><b>Participants Eligible:</b> Faculty &amp; Students from Engineering, MBA, BBA, Degree &amp; Diploma  <b>Last Date of Registration:</b> 31st March 2021          This program is completely <b>FREE</b> of cost for the participants as it is sponsored by Tableau.  <b>Program Benefits :</b></p> <ul style="list-style-type: none"> <li>• Free Tableau License for Students &amp; Educators</li> <li>• Access to Tableau's E-Learning</li> <li>• Technical Bootcamp on Tableau Software</li> <li>• Mentoring Support from Data Experts</li> <li>• Exciting prizes for the Top 3 Winners</li> <li>• Special Jury Awards for Best Vizzes</li> <li>• Internship Opportunities for the Winners</li> <li>• Bootcamp &amp; Challenge Participation Certificates.</li> </ul> <p>Agenda :</p> <p><b>5 Days Bootcamp on Data Visualization powered by Tableau</b>  <b>Timings : 5:30PM – 8:30PM IST</b>  <b>Mode of Training: Instructor-led (Online via Zoom)</b></p> <table border="1"> <thead> <tr> <th>Description</th> <th>Start Date</th> <th>End Date</th> </tr> </thead> <tbody> <tr> <td>Boot Camp</td> <td>01st April 2021</td> <td>06th April 2021</td> </tr> <tr> <td>Data Viz Challenge</td> <td>07th April 2021</td> <td>17th April 2021</td> </tr> <tr> <td>Winner Announcement</td> <td colspan="2">30th April</td> </tr> </tbody> </table> <p>We request you to circulate the same to your respective colleges Faculty &amp; Students to leverage maximum benefits from this wonderful Initiative. <b>IBM Open PTECH Platform WALK THROUGH</b>	<p>This is an introductory mail to one of our Industry Partner "<b>IBM Open PTECH.</b>"</p> <p><b>About "IBM Open PTECH":</b></p> <p>IBM Open PTECH is a free online learning platform that has industry courses on emerging technologies and professional development. IBM is bringing learning content that is relevant for students who are getting ready to join the workplaces where more than 90% of the jobs will require relevant understanding of new technologies. Emerging technology learning is relevant to every student whether they are on an IT pathway or not. Employers <b>today</b> across industries are looking for well-balanced people with transferable skills like collaboration and critical thinking, in combination with technical skills and workplace readiness. Open PTECH provides self-paced, self-learning courses for students to equip themselves with relevant skills, that are essential for current and future workplaces.</p> <p>Open PTECH has 80+ hours of learning content from IBM and another 40+ hours from IBM industry partners.</p> <ul style="list-style-type: none"> <li>• Data Science, Artificial Intelligence,</li> <li>• Cloud computing, Cyber security,</li> <li>• Block chain, Coding and Computational thinking, Quantum Computing, machine learning,</li> <li>• Professional skills ( collaboration and team building,</li> </ul>	23.01.2021

	<p>presentation skill, critical thinking, inter-personal skills, work delivery skills and Agile methodologies) and,</p> <ul style="list-style-type: none"> <li>• Workplace skills like Design thinking, Project Management and others</li> </ul> <p>IBM and its partners would support the colleges/education institutions associated with TASK, to onboard students through custom links created for the colleges, train and hand-hold colleges SPOCs and faculty members to navigate the Open PTECH platform to learn (and guide students) as well as to track learning of their students through dashboards and (downloadable) reports, and organize webinars/online seminars on topics relevant to technology and careers to be conducted by IBM leaders and industry experts to additionally support students leaning.</p> <p>In the first phase we are planning to roll out the program in 45 colleges. We are looking for 25 engineering, 15 Degree and 10 Polytechnic colleges to take up the course.</p> <p>Please nominate the college details <a href="#">here</a> on or before 27<sup>th</sup> Jan 2021.</p> <p>Attached PDF will give all the additional information you might need.</p> <p>For more details regarding this program, please feel free to contact me for any assistance</p>	
<p><b>TASK - RPA Build-A-Thon by SmartBridge in collaboration with Blue Prism University</b></p>	<p>TASK in association with Smart Bridge organizing an Faculty Development Program on RPA Build-a-thon. <p><b>TASK - Schedule for Essential Skills Training from 22nd to 24th June 2020 for Slot-1 Reg-</b></p>	<p>Greetings from TASK.</p> <p>TASK would like to conducting online sessions on Essential Skills for our TASK registered students with interactive methodologies. With jobs being scarce, experts say that essential skills will play an important role in the job market.</p> <p>We have redesigned the entire essential skills content and structure to suit online course delivery. Twelve skill-specific modules have been identified as below:</p> <ol style="list-style-type: none"> <li>1. Communication skills</li> <li>2. Learning to learn</li> <li>3. Problem-solving and decision making</li> <li>4. Interpersonal skills</li> <li>5. Networking skills</li> <li>6. Self-empowerment</li> <li>7. Performance management</li> <li>8. Presentation skills</li> <li>9. Teamwork</li> <li>10. Leadership skills</li> <li>11. Interview skills</li> <li>12. Effective writing skills</li> </ol> <p>Each of these modules, except Interview Skills, will be offered in 3 levels - Beginner, Intermediate, and Intensive.</p> <p>In this quarter (July to August) only Beginner level will be offered. From the next semester, Intermediate and Intensive will also be added. Each course will be scheduled multiple times in the year so that the maximum number of students can get a chance to attend each course.</p> <p>These courses are open to all students of all branches of all years. Students have to complete the levels one after another, starting from the Beginner level.</p> <p>Interview skills is only for the final year students or III year second-semester students. This is offered in two</p>	<p>19.06.2020</p>

	<p>levels.</p> <p>Starting from 22nd June, we are going to offer 4 courses every week (each course is for 3 days with 90 minutes session per day). We are starting with the Beginner Level. Courses will be conducted in two time slots each day, as mentioned in the calendar.</p> <p>Please see the attached calendar to know the weekly allotment of courses. Students can choose any one of the courses and apply for it through the Google form link given. Right now, we are taking applications only for the courses offered from 22nd to 24th June.</p> <p>Courses will be offered through Octa Work platform. Students can log in through their hall ticket numbers. A standard common password will be shared with all the students for login access. Once they log in, they can change their password and use the same login and password for all future courses.</p> <p>Course-1: Communication skills - Beginner  Course-2: Interview skills Level 1  Date: 22<sup>nd</sup> to 24<sup>th</sup> <b>June 2020</b>  Duration: 90 minutes  <b>Slot Timings:</b> 10.30 AM to 12.00 PM  Number of students per batch: 300  Here is the google form link for the slot-1 students to apply. It asks for basic details of the students including the choice of anyone course.  <a href="https://forms.gle/j2WWb57cNWT9Z9Gd9">https://forms.gle/j2WWb57cNWT9Z9Gd9</a>  For further clarifications please feel to call back.</p>
