Feedback analysis report 2019-20

The feedback on the curriculum is collected at the end of the academic year 2019-20 through online mode. Feedbacks regarding the curriculum is obtained from the stakeholders such as Students, teachers, parents, employer and alumni by providing separate questionnaires in google forms as designed by the IQAC of the college.

After the compilation of recorded feedbacks from all the stakeholders, the same is assessed by the IQAC for analysis.

The parent feedback questionnaire is structured with 10 questions related to the curriculum and overall development of the students. About 88% of the parents expressed their satisfaction over the course structure and flexibility in the curriculum to meet the employment needs of industries. 90% of the parents agreed that the curriculum contributed to the overall development of the student.

The flexibility provided in the curriculum for employability and for preparing for the competitive exams were highly appreciated by the alumni and Employer, which helps the students to prepare well for the various national level exams. The flexibility mainly focusses on the skill development. The employer feedback appreciated the efforts made to bridge the gap between the academia and industry by implementing the inputs given by the industrialist.

The major suggestions made by the alumni and teachers were to introduce project work and internships in the course structure and also to incorporate value added courses to improve their skills. The stakeholders appreciated the efforts to fill the skill gap by reaching the maximum MoU`s with the industries.
